ARTICLE 4 – WORKPLACE BEHAVIOR

The Employer and the Union agree that all employees should work in an environment that fosters mutual respect and professionalism. The parties agree that inappropriate behavior in the workplace does not promote the University’s business, employee well being, or productivity. The parties agree that perceptions of “appropriate” behavior can be racialized and gendered or characterized by other prescriptive stereotype-based biases. The values of equity and diversity should inform all conversations, decisions, and outcomes related to this article. All employees are responsible for contributing to such an environment and are expected to treat others with courtesy and respect.

4.1 Definitions. In accordance with the UW Workplace Violence policy and the UW Medicine Policy on Professional Conduct, inappropriate workplace behavior by employees, supervisors and/or managers will not be tolerated. At no time will bullying be accepted as appropriate workplace behavior.

Bullying is defined as language or conduct that is unwelcome and sufficiently severe, persistent, or pervasive such that it could reasonably be expected to create an intimidating, hostile, or offensive environment, or has the purpose or effect of unreasonably interfering with an employee’s work performance, when viewed through both an objective and subjective standard.

4.2 Processes. If an employee and/or the employee’s union representative believes the employee has been subjected to inappropriate workplace behavior, the employee and/or the employee’s representative is encouraged to report this behavior to the employee’s supervisor, a manager in the employee’s chain of command and/or the Human Resources Office. For incidents involving alleged bias, the employee may also choose to report the incident utilizing the bias reporting tool (Reporting Bias Incidents (<https://www.washington.edu/bias/washington.edu>) or UW Medicine Bias Reporting Tool I Care Transformation (<https://equity.uwmedicine.org/bias-reporting-tool/washington.edu>)). The Employer will investigate the reported behavior and take appropriate action as necessary, which may include training for the individual(s) or the department involved in the incident. The employee and/or union representative will be notified upon conclusion of the investigation.

Retaliation against employees who make a workplace behavior complaint will not be tolerated and will be viewed as a separate violation.

Grievances may be filed up to Step 3 Mediation.

ARTICLE 5 – AFFIRMATIVE ACTION

- 5.1 Policies. In conjunction with Federal and State laws, regulations, and Executive Orders, the Employer and the Union agree on the need for an affirmative action program to correct and review any inequities in the employment processes. The Employer shall implement, monitor, and report on an affirmative action program requiring the Employer to make special efforts to recruit, employ, retain, train, promote, encourage career development, and transfer qualified members of underrepresented or groups formerly excluded, even if that exclusion cannot be traced to particular discriminatory actions on the part of the Employer. The Employer shall also develop or update, implement, monitor, and report on affirmative action goals for hiring and/or promoting members of protected groups into job classes/categories where it has been determined that underrepresentation exists. The Employer shall make no decisions regarding employment based on membership in any protected class.

ARTICLE 6 – GRIEVANCE PROCEDURE

The Union and the Employer agree that it is in their best interest to resolve disputes at the earliest opportunity and at the lowest level. Whenever possible, disputes should be resolved informally prior to filing a formal written grievance. To that end, all supervisors and employees are encouraged to engage in free and open discussions about disputes.

6.1 Definition. A grievance, within the meaning of this Agreement, shall be defined as any dispute between the University and the Union, an employee, or a group of employees as to alleged misapplication or misinterpretation of the terms of this Agreement or the Employer’s written personnel rules, policies or practices.

6.2 Employee Grievance Rights. Any employee who believes they have been aggrieved may personally seek relief from that condition by filing a grievance, irrespective of any supervisor’s opinion of the grievance’s validity. In the presentation of grievances, the employees shall be safe from restraint, interference, discrimination, or reprisal.

6.3 Employee Representation. The Union as exclusive representative of bargaining unit employees is the responsible representative of said employees in grievance matters.

6.4 Time Limitations. An extension of the time limitations as stipulated in the respective steps below, may be obtained by mutual consent of the parties. Failure of the union to comply with the time limitations without a request of time extension shall constitute withdrawal of the grievance. Failure of the Employer to comply with the time limitations without a request for time extension shall move the grievance to the next step of the grievance procedure. For the purpose of calculating time requirements, the first day shall be the day following the day on which the employee was aware, or reasonably should have been aware, of the issue giving rise to the grievance. Saturdays, Sundays, and University holidays shall be included in the calculation of days except that the final day may not be on a Saturday, Sunday, or holiday but will end at the close of the first working day following the Saturday, Sunday, or holiday.

6.5 Contents. The written grievance shall include the following information:

- a. The date upon which the grievance occurred.
- b. The specific Article(s) and Section(s) of the Agreement violated.
- c. The past practice, rule, policy violated.
- e-d. A complete description of the specific events that occurred that resulted in the alleged violation.
- d-e. Specific remedy requested.
- e-f. The grievant(s) name and position.

45 f.g. Name and signature of Union representative (Staff or Steward).
46 g.h. _____ The nature of the grievance.

47
48 Failure to include the above information shall not be a reason for invalidating the
49 grievance. ~~However, the Employer may delay scheduling a grievance meeting~~
50 ~~until the Union has provided the above information.~~

51
52 6.6 Pay Status – Meetings. Meetings and discussions on the grievance held with the
53 Employer in connection with this grievance procedure shall normally be held
54 during the University’s regular business hours, or as mutually agreeable, and no
55 deduction in pay status shall be made for the grievant or steward for reasonable
56 time spent in such meetings or discussions during the employee’s scheduled
57 duty hours. The work schedule of the grievant will be seriously considered in the
58 scheduling of the grievance meetings. Time off for employees and stewards shall
59 be granted by supervision following a request, but in consideration of job
60 responsibilities. If the requested time off cannot be granted, the parties shall
61 arrange for time off at the earliest possible time thereafter.

62
63 6.7 Grievance Withdrawal. A grievance may be withdrawn by the Union in writing at
64 any time, and if withdrawn shall not be resubmitted.

65
66 6.8 Resolution. If the Employer provides the requested remedy or a mutually agreed-
67 upon alternative, the grievance will be considered resolved and may not be
68 moved to the next step.

69
70 6.9 Consolidation. Grievances arising out of the same set of facts may be
71 consolidated by written agreement.

72
73 6.10 Filing and Processing.

74
75 a. Filing. A grievance must be filed within thirty (30) days of the occurrence
76 giving rise to the grievance, or the date the grievant knew or could reasonably
77 have known of the occurrence. When possible the thirty (30) day periods
78 above should be used to attempt to informally resolve the dispute. The union
79 steward or staff representative will indicate when a discussion with the
80 Employer is an attempt to informally resolve a dispute.

81 b. Alternative Resolution Methods. Alternative Resolution Methods Any time
82 during the grievance process, by mutual consent, the parties may use
83 alternative methods to resolve the dispute. If the parties agree to use
84 alternative methods, the time frames in this Article are suspended. If the
85 selected alternative method does not result in a resolution, the Union may
86 return to the grievance process and the time frames resume. Any expenses
87 and fees of alternative methods will be shared equally by the parties.

88 c. Processing. The Union and the Employer agree that in-person meetings are
89 preferred at all steps of the grievance process and will make efforts to
90 schedule in-person meetings, if possible.

91
92 6.11 Steps of the grievance Procedure. All grievances shall be processed in
93 accordance with the following procedure. Upon mutual agreement, Step One,
94 Two or Three may be skipped. Grievances over final counseling or dismissal will
95 begin at Step Two.

96
97 Step One: Supervisor, Manager or Designee. If the issue is not resolved informally, the
98 Union may file a written grievance to the supervisor or designee, and the Labor
99 Relations office (laborrel@uw.edu). The Employer will designate a supervisor, manager
100 or designee who will meet in person or confer by telephone with a union steward and/or
101 staff representative and the grievant. The date of the meeting will be mutually agreed
102 upon within fifteen (15) calendar days of receipt of the grievance and when possible the
103 meeting will take place within the aforementioned fifteen (15) calendar days. The
104 format (face to face or by telephone) for the meeting will be by mutual agreement. The
105 employer will respond in writing to the Union within fifteen (15) calendar days after the
106 meeting. The Human Resources Consultant may also attend, if desired by the
107 University. If the grievance is directed against the employee's immediate supervisor, the
108 grievance may be presented to the next higher level of supervision. In the event the
109 employee's immediate supervisor does not have authority to resolve the grievance, the
110 grievance will be presented at the level having authority to act as determined by the
111 Employer.

112
113 Step Two: If a satisfactory settlement is not reached in Step One, said grievance may
114 be moved to the Step Two by filing the written grievance, including a copy of the Step
115 One decision to department head, designee, or to the next appropriate level of
116 management and the Office of Labor Relations within fifteen (15) calendar days after
117 the decision from Step One. The date of the meeting will be mutually agreed upon
118 within fifteen (15) calendar days after notice of the filing at Step Two and when possible
119 the meeting will take place within the aforementioned fifteen (15) calendar days. The
120 grievant may be represented by a steward and a Union staff representative. The
121 University will be represented by the appropriate management official(s) or designee(s),
122 a representative from the Office of Labor Relations, and a Human Resources
123 Consultant, if desired by the University. The University will respond in writing within
124 thirty (30) calendar days after the meeting.

125
126 Step Three: Grievance Mediation. ~~Grievance Mediation.~~ If the grievance is not resolved
127 at ~~the~~ Step Two, the Union may file a request for mediation with the Public Employment
128 Relations Commission (PERC) in accordance with WAC 391-55-020, with a copy to the
129 Labor Relations Office within thirty (30) days of receipt of the Step Two decision. In
130 addition to all other filing requirements, the request must include a copy of the grievance
131 and all previous responses. The Employer will inform the Union, in writing, and PERC
132 within thirty (30) days of receipt of Mediation request if they are not in agreement. If
133 those services are unavailable on a timely basis, the parties may request a list of
134 grievance mediators from the Federal Mediation and Conciliation Service (FMCS) or
135 other agreed upon mediation provider. The cost of the mediation shall be borne equally
136 by both parties.

137
138 Step Four: Arbitration. If a satisfactory settlement is not reached at the prior step, or the
139 step was skipped, either of the signatory parties to this Agreement may submit the
140 grievance to binding arbitration. Such submittal must be made within thirty (30) calendar
141 days following the written notice that the employer does not agree to Step Three (3)
142 Mediation or the conclusion of the prior step. The Union and the University must contact
143 the employer to begin the arbitration scheduling process and provide availability to the
144 arbitrator within thirty (30) calendar days of the Union advancing the grievance to
145 arbitration., and the arbitration hearing date must be scheduled for a date that is within
146 six months (180 calendar days) of the date the grievance was advanced to arbitration. If
147 the Union does not do either of the above, the grievance will be considered withdrawn.

148
149 Panel of Arbitrators:

- 150 A. ~~Within sixty (60) calendar days of the execution of the Agreement, t~~The parties,
151 SEIU 925, WFSE 1488, and the Employer, agree to ~~meet to establish~~ a
152 permanent panel of ~~six (6)~~ arbitrators. ~~If the parties do not meet or if there is no~~
153 ~~agreement on the panel, the current panel will remain.~~
- 154 B. These arbitrators shall be assigned cases by the parties on a rotating basis. If the
155 arbitrator is not available to hear the case within sixty (60) calendar days of being
156 contacted to request available arbitration dates either party may elect to go to the
157 next arbitrator in the rotation. If no arbitrator can hear the case within sixty (60)
158 calendar days of being contacted, the case will be assigned to the arbitrator who
159 can hear the case on the earliest date.
- 160 C. The appointment to the panel will be for the life of the Agreement. If an arbitrator
161 decides to remove their name from the panel the parties will meet to decide
162 whether to substitute an additional name(s).

163
164 No later than seven (7) working days prior to the scheduled arbitration meeting, the
165 parties will submit questions of arbitration eligibility to the arbitrator for preliminary
166 determination, share the name of each witness intending to testify at the hearing, and
167 attempt to agree upon the issue statement. A copy of written materials submitted to the
168 arbitrator will be provided to the opposing party.

169
170 If either party raises an issue of procedural arbitrability, i.e. that any step of the
171 grievance process or movement to arbitration was not pursued within the time limits
172 proscribed in this article, the arbitrator shall make a determination on the arbitrability
173 issue prior to proceeding to a hearing on the merits of the grievance. If the arbitrator
174 determines the grievance is not arbitrable, then no hearing on the merits of the
175 grievance will be held.

176
177 Authority of the Arbitrator

178
179 The parties agree that the arbitrator shall have no power to render a decision that adds
180 to, subtracts from, alters or modifies in any way the terms and conditions of the
181 Agreement. The parties further agree that the decision of the arbitrator will be final and
182 binding upon all parties.

The Union or the Employer will have the right to request the arbitrator to require the presence of witnesses and/or documents. The arbitrator’s decision shall be made in writing and the arbitrator shall be encouraged to render the decision within thirty (30) calendar days of the close of the arbitration.

In cases where a grievance is moved to arbitration and the Employer did not agree to Step Three: Grievance Mediation, either party may request a pre-arbitration settlement conference. These conferences shall not delay the arbitration process, and may be held with or without the presence of the arbitrator, at the option of the moving party. In the event that an arbitrator is present, the cost of the arbitrator’s participation shall be borne equally by the parties.

6.12 Arbitration Costs.

1. The fees and costs of the arbitrator, and the cost (if any) of the hearing room, will be shared equally by the parties.
2. If the arbitration hearing is postponed or canceled because of one party, that party will bear the cost of the postponement or cancellation. The costs of any mutually agreed upon postponements or cancellations will be shared equally by the parties.
3. If either party desires a record of the arbitration, a court reporter may be used. If that party purchases a transcript, a copy will be provided to the arbitrator free of charge. If the other party desires a copy of the transcript, it will pay for half of the costs of the fee for the court reporter, the original transcript and a copy.
4. Each party is responsible for all fees and costs of its staff representatives, attorneys, experts, witnesses –and all other costs related to the development and presentation of their case. Every effort will be made to avoid the presentation of repetitive witnesses.

6.13 Files. Grievance documents shall be maintained separately from employee personnel files. Employee personnel files will accurately reflect the final outcome of a grievance.

- b. Overtime may be assigned outside of normally scheduled shifts and compensated in accordance with Article 10.

9.2 Definitions.

- a. Full-time Employee. A regular staff employee scheduled to work forty (40) hours per week in a seven (7) day period; or for designated hospital personnel scheduled to work eighty (80) hours in a fourteen (14) day period.

9.3 Meal and Rest Breaks.

- a. The provisions of section 9.3 are agreed upon pursuant to RCW 49.12.187. To the extent these provisions differ from any statutes and regulations relating to rest and meal breaks, and the right to wages and overtime for missed rest and meal breaks (including but not limited to RCW 49.12.480, 49.46.020, 49.46.090 and 49.52.050, and WAC 296-126-092), the provisions of section 9.3 vary and supersede such statutes and regulations. These policies will follow the minimum standards for working conditions of RCW 49.12 and WAC 296-126-092, unless such rights are waived by the employees., and waive the rights of all employees represented by SEIU 925 to rest and meal breaks, and related wages and overtime compensation based on such statutes and regulations that are inconsistent with these provisions.

- c. Rest Periods. Employees will be provided with paid 15-minute rest periods for every four (4) hours worked. Employees must take scheduled rest periods, and it is the employer's intention responsibility to provide uninterrupted rest periods. In the event the employee is unable to complete the 15-minute paid rest period because they are required to remain on duty, are required to remain on-call on the premises, or if they're called back to work thus interrupting the rest period, the employee shall be entitled to complete their uninterrupted rest period as soon as possible. If a full rest period is unable to be completed, they will be appropriately compensated for the entire rest period. ~~appropriate compensation to be computed based on the actual number of minutes worked within the 15-minute paid rest period.~~ Where the employer determines the nature of the work allows employees to take intermittent rest periods equivalent to 30 minutes within an 8-hour period, or 45 minutes within a 12-hour period, a scheduled rest period is not required. Rest periods may not be used for late arrival or early departure from work.
- d. Unpaid Meal Period. Employees will be provided with one unpaid meal period of at least 30 minutes during any shift that exceeds five hours in length. When an employee's unpaid meal period is interrupted by work duties, the employee will be allowed to resume their unpaid meal period following the interruption, if possible, and to complete the 30-minute unpaid meal period. In the event the employee is unable to complete the 30-minute unpaid meal period because they are required to remain on duty, are required to remain on-call on the premises, or if they're called back to work thus interrupting the meal period, the employee will be appropriately compensated for the entire 30-minute unpaid meal period. ~~shall be entitled to appropriate compensation to be computed based on the actual number of minutes worked within the 30-minute unpaid meal period.~~
- e. An employee whose shift exceeds twelve (12) hours (excluding unpaid meal breaks) or is extended at least three (3) hours beyond their scheduled shift will be entitled to a second 30-minute unpaid meal period. If the Employee chooses to waive the second meal period requirement, they are responsible for initiating and submitting an agreement to waive the meal period ~~waiver~~. It must be documented that the agreement to waive the meal period ~~waiver~~ was completed prior to waiving the meal period. Absent such documentation ~~of a waiver~~, it is deemed that the Employee took their meal period.
- f. Paid Meal Period. Employees who are required to work or remain on duty during a meal period must be paid for the entire meal period, regardless of the number of interruptions. Employees must be paid for meal periods if:
1. They are required to remain on duty.
 2. The employer requires them to remain on-call on the premises or work site in the interest of the employer, even if they are not called back to duty.

3. They are called back to work, interrupting the meal period.

g. Combining Rest and Meal Periods. For any work period for which an employee is entitled to one or more meal periods and more than one rest period, the employee and the employer may agree that meal and rest periods can be combined one meal period may be combined with one rest period, as mutually agreed determined by management. This agreement may be revoked at any time by the employee. If the employee is required to remain on duty during the combined meal and rest period, the time shall be paid. If the employee is released from duty for an uninterrupted combined meal and rest period, the time corresponding to the meal period shall be unpaid, but the time corresponding to the rest period shall be paid.

h. Hospital employees subject to RCW 49.12.480 may also choose to waive the timing of their rest and meal periods if combining. If the Employee chooses to combine rest and meal periods, they are responsible for initiating and submitting an agreement to waive the timing of their meal and rest periods waiver. This agreement may be revoked at any time by the employee. It must be documented that the agreement to waive the timing of their meal and rest periods waiver was completed prior to combining the rest and meal periods. Absent such documentation of a waiver, it is deemed that the Employee took their meal period as required unless otherwise documented in the University's timekeeping system KRONOS. When combining rest and meal periods, the break period (and any potential pay implications) is deemed in order of when the rest or meal period would have occurred. Example, if a meal is combined with a later rest period, the meal period is first, and then the rest period.

i. Health care workers have specific meal and rest period requirements. UW Medicine has a Meal & Rest Breaks Policy for Covered Health Care Workers who Provide Direct Patient Care which is located at the following link: [Add link]

j. Section 9.3 will become effective November 1, 2024.

9.43 Work Day/Meal Period.

~~a. Meal breaks shall be a minimum of thirty (30) minutes, unpaid and on the employee's own time, provided the employee is off-duty for that meal period. It is the Employer's intention to provide uninterrupted meal breaks.~~

~~b. Specific to the University-wide Nonsupervisory, Supervisory, and Health Care Professional/Laboratory Technical bargaining units:~~

~~The normal work day for full-time employees typically shall be eight (8) hours to be completed within a nine (9) hour period.~~

~~The meal period shall commence not earlier than the second hour of the shift nor later than the fifth hour of the shift. If the employee is required to work~~

~~beyond the fifth hour without a break, the employee will be allowed to eat their meal at the duty station on the Employer's time.~~

Each position will be assigned by the personnel officer to one of the work period designations identified below. Employees will be informed of their eligibility for overtime compensation.

- a. Scheduled work periods, within which there are two (2) work schedules:
 - 1. Regular work schedule. The regular work schedule for full-time regular employees shall consist of five (5) consecutive and uniformly scheduled eight (8) hour days in a seven (7) day period. Uniformly scheduled means a daily repetition of the same working hours and a weekly repetition of the same working days.
 - 2. Alternative work schedule. Operational necessity or employee convenience may require positions that are normally designated regular work schedule to work an alternate forty (40) hour work schedule (other than five (5) uniform and consecutive eight (8) hour days in a seven (7) day period), or as provided by the Washington State Minimum Wage Requirements and Labor Standards in conjunction with the federal law which provides for an eighty (80) hour work week in a fourteen (14) day period for hospital personnel.
- b. Nonscheduled Work Period. The nonscheduled work period designation applies to those positions for which the hours cannot be scheduled but which are assigned an FTE, work a forty (40) hour week and do not meet any of the other work period designations.

- ~~e. Employees will not be assigned to split shifts unless there is prior agreement.~~

9.6 Change in Work Schedule/Shift Assignment Notification. The Employer agrees to provide a minimum of fourteen (14) calendar days' notice in writing to an employee in the event of an Employer-directed permanent change in the employee's shift assignment or work schedule. For temporary changes in work assignment occurring within the employee's assigned work week, the Employer

182 will provide ~~two-three~~ (23) calendar days' notice in writing with the day of
183 notification constituting the first day of notice. For emergency reasons, lack of
184 work, an existing safety hazard to the employee or others, or mutual agreement
185 between the Employer and employee under Article 10.2(e), the Employer may
186 temporarily change an employee's schedule with fewer than ~~two-three~~ (23)
187 calendar days' notice. Temporary is defined as no longer than one (1) week.

188

191 mutually agreed to shall not be employed to avoid the accrual of overtime.

192
193 The assignment of employees in various shifts within each work group or
194 department shall be determined by the employing official, provided that when
195 qualifications are substantially equal in the judgment of the employing
196 department, seniority shall be a factor in determining shift assignment. This
197 criteria does not apply to positions deemed by the employer to require a
198 rotational shift.

199
200 9.7 Excepted Work Period Positions. Employees assigned to excepted work period
201 positions normally do not qualify for overtime pay. However, when an employing
202 official determines that the employee has been directed to work an excessive
203 amount of hours for an extended period of time, overtime in the form of
204 compensatory time or cash not to exceed a "time and one half (1-1/2)" basis may
205 be approved by the UW HR Compensation Office Assistant Vice President of
206 Human Resources Operations.

207
208 When the University creates or modifies a classification such that it is excepted
209 from overtime in accordance with the law, the Union shall be notified in advance
210 of implementation. This language does not preclude the Union or any individual
211 employee from challenging the University's overtime determination in appropriate

For employees in the Healthcare Professional/Laboratory Technical and HMC Technical bargaining units: Hours worked after twelve (12) consecutive hours within the twenty-four (24) hour period shall be paid at the rate of double time (2x) the employee's regular rate of pay. Employees working twelve (12) hour shifts will receive time and one half (1-1/2) after twelve (12) hours and double time (2x) after fourteen (14) hours.
- c. Overtime-eligible employees assigned to scheduled or nonscheduled work period positions shall receive monetary payment as compensation for overtime worked; however, at the employee's request, compensatory time off at one and one-half (1-1/2) times the overtime or double time (2x) hours worked may be granted in lieu of monetary payment.
- d. Compensation paid to an employee for accrued compensatory time shall be paid at the hourly rate earned by the employee at the time the employee receives such payment. Upon termination of employment, an employee will be paid for any unused compensatory time in accordance with the Fair Labor Standards Act.
- e. Use of accrued compensatory time shall be approved by the employing official with consideration being given to the work requirements of the department and the wishes of the employee. Compensatory time off may be scheduled by the employing official during the final sixty (60) days of a biennium (for the University-wide Nonsupervisory, University-wide Supervisory, Contact Center, Contact Center Supervisory, and Healthcare Professional/Laboratory Technical bargaining units), or fiscal year (for the Research Technologist and Research Technologist Supervisor bargaining units).
 Compensatory time must be used or paid for by June 30th of each fiscal

45 year. The employee’s unused compensatory time balance will be cashed out
 46 every June 30th or when the employee leaves University employment for any
 47 reason in accordance with the Fair Labor Standards Act. The employee’s
 48 compensatory time balance may also be cashed out when the employee:

52 f. For purposes of computing overtime ~~compensation~~, holidays or use of paid
 53 time off leave with pay during the employee’s regular work schedule shall be
 54 considered ~~as~~ time worked.

55
 56 **10.2 Overtime Policies.**

- 57 a. Whenever overtime work is required, the employing official shall determine
- 58 the employees needed to work overtime on the basis of their relevant
- 59 experience. Overtime shall be distributed as equitably as possible among
- 60 qualified employees.
- 61 b. It is intended that overtime wages for which salary payment is to be made
- 62 shall be paid to the employee no later than on the payday following the pay

- 65 pay period in which the overtime was earned providing the payroll office has
- 66 received confirmation authorizing such payment within the time limits set by
- 67 the ~~Integrated Service Center~~ Payroll Office.
- 68 c. The federal Fair Labor Standards Act and the Washington State Minimum
- 69 Wage Act govern which positions are as a matter of law exempt or non-
- 70 exempt. Appendix III details job classifications that are FLSA exempt,
- 71 however, certain positions in these classifications may be determined to be
- 72 FLSA non-exempt if the employee’s combination of FTE and salary falls
- 73 below the federal or state salary threshold. This does not preclude the Union
- 74 or any individual employee from challenging the University’s overtime
- 75 determination in appropriate forums.
- 76 d. Temporary Modified Weekly Schedule. By mutual agreement, individual
- 77 employees and their supervisors may agree to a temporary modified weekly
- 78 schedule. This schedule allows employees to alter their regular daily working
- 79 hours within a work week without generating the payment of overtime (unless
- 80 the employee works beyond forty (40) hours in the employee’s regular work
- 81 week). Such scheduling will not be considered a regularly recurring
- 82 alternative schedule. Specific to the University-wide Nonsupervisory,
- 83 Supervisory, Contact Center, Contact Center Supervisory, and Health Care
- 84 Professional/Laboratory Technical bargaining units: Temporary modified
- 85 weekly scheduling adjustments must be completed within the employee’s
- 86 regular work week.
- 87
- 88

89 ~~10.3 Article 10 Overtime does not apply to the Dietitian job classifications. Dietitians~~

83 of the employee's personal vehicle, the employee will be reimbursed at the
84 University's travel rates applying at the time. If other transportation must be
85 taken, the employee will be reimbursed for all transportation costs. Required
86 attendance in courses which are outside of regular working hours and which are

ARTICLE 14 – HIRING, APPOINTMENT, PROMOTIONS, AND TRANSFERS

14.1 Probation. An employee appointed to a regular position will attain permanent status in a job classification upon their successful completion of a probationary, trial service or transition review period.

A. Every part-time and full-time employee, following their initial appointment to a permanent position, will serve a probationary period of six (6) consecutive months. The Employer may extend the probationary period for an individual employee as long as the extension does not cause the total period to exceed twelve (12) months. Employees will be provided with a written explanation for the extension. If the extension is based on performance issues, the employee will receive a performance improvement plan. Extension of probationary periods shall not be a normal practice.

A.B. If at any point during a probationary period the supervisor believes that the employee's performance may result in their rejection, when possible, the supervisor will provide feedback as soon as possible identifying areas of improvement and offering support.

B.C. Permanent employees at the University of Washington shall not be required to complete another probationary period.

C.D. The Employer will extend an employee's probationary period, on a day-for-a-day basis, for any day(s) that the employee takes paid time off, unpaid time off, or shared leave, except for absences taken for military service or for purposes of faith, or conscience under Article 24(c). For the purpose of calculating the completion date, an employee's probationary period shall not end on the employee's regularly scheduled weekend off or a scheduled holiday off. In those instances the completion date will be the next scheduled work day.

D.E. By mutual agreement, the probationary period for additional selected job profiles classifications in their entirety may be established for a period in excess of six (6) months but not to exceed twelve (12) months.

E.F. Employees in probationary status will earn seniority from their initial date of hire but may not exercise seniority rights until completion of the probationary period. Probationary employees are not eligible for layoff or rehire rights.

F.G. An employee who is appointed to a different position in a different classification prior to completing their initial probationary period will serve a new probationary period. The length of the new probationary period will be in accordance with Subsection 14.1 (A), unless adjusted by the Appointing Authority for time already served in probationary status. In no case, however, will the total probationary period be less than six (6) consecutive months.

G.H. Probationary Period Rejection. An appointing authority may reject an employee who has not completed a probationary period. Upon request by the employee and within 10 business days of notice, a meeting to explain such

44 action shall be held with a representative of the Employer. At the employee's
 45 request a representative of the Union shall attend such meetings. Such
 46 rejection is not subject to the grievance procedure, except in cases involving
 47 discrimination, under Article 2.
 48

49 **14.2 Filling Positions.**

50
 51 **A.** The University will determine when a position will be filled, the appropriate type
 52 of appointment to be used when filling the position, and the skills and abilities
 53 necessary to perform the duties of the specific position within a job
 54 classification. The University can fill a position on a full-time or part-time
 55 basis. Employees who are appointed as part-time or cyclic in classifications
 56 included in the bargaining units will also be included in the bargaining unit in
 57 accordance with the provisions of this Agreement. They will be eligible to
 58 receive medical benefits and retirement in accordance with state law and
 59 University policy. The University will make every effort to recruit and retain a
 60 broad base of regular full-time and part-time employees in order to maintain a
 61 stable and consistent workforce that meets operational needs as determined
 62 by the Employer.

63 **B. Internal Lateral Movement Within Unit/Department.**

64 Prior to referring candidates, the Employer will provide seven (7) calendar days'
 65 notice to employees within the unit/department seeking a different shift
 66 regardless of shift. An employee's request for the vacant shift will be granted
 67 provided:

- 68 1. The employee submitted the request in writing;
- 69 2. The employee holds permanent status in the job classification;
- 70 3. The employee is currently working in the same unit/department;
- 71 4. No Formal corrective action issued within the past six (6) months and/or
 72 no Final corrective action issued within the past twelve (12) months;
- 73 4-5. The employee has the skills and abilities necessary for the vacant
 74 shift.

75
 76 If two (2) or more employees request the vacant shift and they meet the above
 77 criteria, the employee with the most department seniority (Article 38.1b) will be
 78 appointed. If the department seniority is equal, the employee who submitted
 79 the request in writing first will be appointed.

80
 81
 82 **B.C. Volunteers.** Volunteers will not fill vacant bargaining unit positions.

83 **C.D.** It is the intent of the Employer to fill vacancies as soon as possible within
 84 budgetary limitations and where replacements are needed.

85 **D.E.** Departments are encouraged to be transparent and share information about
 86 the hiring process and the status of vacant positions.
 87

88 **14.3 Core Duties and Other Assignments.**

89

90 A. Upon appointment to a position or when there is an update to the employee's
91 job description, the employee's supervisor will provide the employee with a
92 copy of the position's job duties. Employees may access a copy of the class
93 specification by clicking on the five digit "Reg job code" at
94 <https://hr.uw.edu/comp/classified-staff/job-profile-list/>.

95 B. Except as otherwise provided in this Agreement, duties assigned an employee
96 shall be consistent with the overall class concept of the employee's job
97 classification.

98 C. If the employer makes changes to the job duties outlined in the job description
99 used for recruitment for that position, the employee may request to meet with
100 their supervisor to discuss the changes.

101
102 14.4 Types of Appointments (Service Periods).
103

104 A. Regular Appointments for positions scheduled to work a service period of twelve
105 (12) months per year.

106 B. Cyclic Appointments for positions scheduled to work less than a service period of
107 twelve (12) full months each year due to known, recurring periods in the annual
108 cycle when the position is not needed or due to known budgetary restraints.

109 1. At least fifteen (15) calendar days before the start of each annual cycle,
110 incumbents of cyclic positions will be informed in writing of their scheduled
111 periods of cyclic leave without pay in the ensuing annual cycle. Such cyclic
112 leave without pay will not negatively impact months of service for
113 calculating:

114 a. ~~Constitute a break in service and will not be deducted from the~~
115 ~~employee's length of service in granting~~ periodic increments for step
116 increases.

117 b. ~~Be considered when computing~~ the employee's vacation leave time
118 off accrual rate.

119 2. When additional work is required of a cyclic position during a period of which
120 the position was scheduled for cyclic leave without pay, the additional
121 nonpermanent work will first be offered to the incumbent. The incumbent
122 will be allowed at least three (3) working days in which to accept or decline
123 the offer.

124 3. When additional pre-scheduled work is available during the cyclic leave
125 without pay period that is declined or cannot be completed by the
126 incumbents, the work will be offered to other Cyclic Appointment employees
127 prior to internal employees, students, or external candidates. The work will
128 be offered in the following order, based on seniority to employees in:

129 a. Cyclic Appointments in the same job classification.

130 b. Cyclic Appointment in different job classifications with the essential
131 skills to perform the work.

132 4. Employees who elect to accept work in a different job classification will be
133 compensated at the rate of pay of the position they have
134 accepted. However, if an employee accepts work in a lower classification
135 and their current rate of compensation falls within the pay range for that

136 classification, they will maintain their current rate of pay within the lower
 137 classification.

138 5. Both the Employer and the Union are encouraged to utilize the Joint Union
 139 Management Committee process in accordance with Article 43 to resolve
 140 problems/concerns related to the cyclic leave without pay assignments.

141 C. Temporary Appointment to a Higher Position. The employing official may
 142 temporarily assign ~~an regular monthly~~ employee the duties and responsibilities of
 143 a higher-level class for up to one (1) year. Such appointments shall be made in
 144 increments of no more than six (6) months.
 145 The employee shall be paid a temporary salary increase (TSI) of at least five
 146 percent (5%) increase over the present salary but not to exceed the maximum of
 147 the range for the higher classification. Such increase shall be effective the first day
 148 of the assignment when approved, on an hour for hour basis.

149 D. Nonpermanent Fixed Duration Appointments. Employees in Nonpermanent Fixed
 150 Duration positions are considered regularly scheduled and assigned a schedule
 151 with a fixed number of working hours in a workweek. The filling of nonpermanent
 152 fixed duration appointments will be determined by the University. Individuals hired
 153 under this section will receive written notification of the maximum length of the
 154 appointment and the eligibility for benefits. Conclusion of the appointment, with a
 155 minimum of one work day notice, will be at the discretion of the University, including
 156 termination of appointment prior to its originally intended expiration date, and will
 157 not be subject to Articles 6 (Grievance Procedure) and 38 (Seniority, Layoff,
 158 Rehire) and Article 59 Intermittent and Nonpermanent Employees of the contract.

159
 160 Nonpermanent fixed duration appointments position can only be created when any
 161 of the following conditions are met:

- 162
 163 1. The UW is recruiting to fill a vacant position with a permanent position;
 164 2. The UW needs to address a short-term immediate workload peak or other
 165 short-term needs;
 166 3. The UW is not filling a position with a permanent position due to the
 167 impending or actual layoff of a permanent employee(s);
 168 4. The UW is filling positions when a worker is on a leave-of-absence; or
 169 5. Temporary project.

170
 171 Nonpermanent fixed duration positions cannot be created to do the work of an
 172 employee who has been laid off or is being laid off except as described in Section
 173 C above.

174 The initial duration of a Nonpermanent Fixed Duration appointment cannot exceed
 175 twelve (12) months from the hire date but may be extended to no more than
 176 ~~eighteen–twenty-four (4824)~~ months if the conditions in 1-5A-E (above) still
 177 exist. Individuals may receive consecutive Nonpermanent Fixed Duration
 178 appointments as long as any subsequent appointment is to a different position.

179

180 Annually, the Employer will provide a report to the Union of Nonpermanent Fixed
 181 Duration employees who have had their position end date extended beyond twelve
 182 (12) months.

183
 184 If at any time during a Nonpermanent Fixed Duration appointment, the need
 185 becomes ongoing and permanent in nature, the Employer must take action to fill
 186 the position on a permanent basis. If an employee in a Nonpermanent Fixed
 187 Duration appointment believes the work becomes ongoing and permanent in
 188 nature, they can submit a non-grievable request to the department to post a regular
 189 position.

190
 191 Time worked in a nonpermanent fixed duration appointment will count towards
 192 seniority for employees who are appointed to a regular monthly position
 193 represented by SEIU, Local 925 without a break in service. Employees on a
 194 nonpermanent fixed duration appointment will be considered non-bargaining unit
 195 internal applicants when applying for regular monthly bargaining unit positions and
 196 will be marked as internal applicants.

197
 198 1. An individual appointed to a Nonpermanent Fixed Duration Appointment
 199 who is hired into the, same job, or in the same classification in the same
 200 unit through open recruitment will have their Fixed Duration Appointment
 201 months of service apply toward their probationary period for that position.

202 1.2. The Employer may convert a non-permanent fixed duration
 203 appointment into a permanent appointment if the Employer used a
 204 competitive process to fill the non-permanent appointment. In such
 205 circumstances the employee will serve a probationary or trial service period
 206 whichever is applicable.

207 2.3. Employees recruited into positions under sections 1 or 2(a) who have
 208 worked in the Nonpermanent Fixed Duration Appointment six (6) months or
 209 longer, extending on a day-for-a-day basis for paid or unpaid absences, will
 210 be considered to have completed their probationary period and all months
 211 of service under that Fixed Duration Appointment (including extensions)
 212 shall count toward their seniority.

213
 214 ~~The Employer may convert a non-permanent fixed duration appointment into a~~
 215 ~~permanent appointment if the Employer used a competitive process to fill the non-~~
 216 ~~permanent appointment or if the non-permanent appointment was filled using a~~
 217 ~~veteran placement program. In such circumstances the employee will serve a~~
 218 ~~probationary or trial service period whichever is applicable.~~

219
 220 ~~The rate of pay for eE~~ employees in nonpermanent fixed duration appointments must
 221 be placed on a salary step within the range for the assigned job profile~~classified~~
 222 ~~title.~~

223

224 The parties have a mutual interest in having Nonpermanent Fixed Duration
 225 positions submitted for posting as soon as possible to expedite the process of filling
 226 open positions.

227
 228 The progression start date shall be established as follows:

- 229
- 230 1. The first of the current month for actions occurring between the first and the
 - 231 fifteenth of the month; or,
 - 232 2. The first of the following month for actions occurring between the sixteenth
 - 233 and the end of the month.

234
 235 Annual Salary Adjustment. Annual salary adjustments up to the top automatic
 236 step will be administered the same as regular positions in the same classification.

237
 238 Training. ~~Employees shall be appropriately trained and or certified prior to being~~
 239 ~~assigned to perform work requiring such training or certification, e.g., work with~~
 240 ~~asbestos, lead, blood borne pathogens, and all other appropriate training~~
 241 ~~required for safety and efficiency in the unit.~~

242
 243 Employees that are required to schedule and participate in mandatory education
 244 by their department and will be compensated at the appropriate rate of pay.
 245 Tuition for required education will be provided by the Employer.

246
 247 14.5 Vacancies. Upon request, department heads will share with designated Union
 248 representatives information about classified positions within the bargaining unit
 249 which are purportedly being abolished or held unfilled.

- 250
- 251 a. Cyclic year employees who have indicated a desire for a twelve month position
 - 252 will be considered for twelve (12) month positions available within their work
 - 253 unit so long as they comply with the requirements of the application process.
 - 254 b. Notice that applications are being accepted for vacant bargaining unit positions
 - 255 will be published by the Employer and will be made available in places intended
 - 256 to reach bargaining unit employees for a minimum of seven (7) calendar days
 - 257 prior to the closing of the application period. The University may limit the scope
 - 258 of the posting area if applications only from within the posting area are
 - 259 accepted.
 - 260 c. It is the intent of the Employer to fill vacancies as soon as possible within
 - 261 budgetary limitations and where replacements are needed.

262
 263 14.6 Promotions and Transfers.

- 264
- 265 A. Policy. It is the policy of the University to encourage job advancement and
 - 266 promote from within. It is the responsibility of each employee seeking promotion
 - 267 or transfer to provide the Employer with complete information regarding the
 - 268 employee's skills and qualifications relative to the position sought. The
 - 269 Employer will make the application process, necessary submittals and the

270 essential skills of the vacant position clear to prospective applicants. All
271 employees will be informed of the processes and steps necessary for
272 advancement. This may be done as part of the annual performance evaluation.

273 B. Definitions. For the purpose of this Article the following definitions apply:

- 274 ○ Promotion – Movement to a position in a job class with a higher salary
275 range maximum.
- 276 ○ Transfer – Movement to a position within another department in the
277 same classification.
- 278 ○ Lateral – Movement of employee to a position in a different class which
279 has the same salary range maximum as the employee's current class.
- 280 ○ Voluntary Demotion – Movement to a position with a lower salary
281 maximum, where the position is attained through the employment
282 process. This section does not apply to employees who demote as the
283 result of corrective action.

284
285 C. Notice that applications are being accepted for vacant bargaining unit positions
286 will be published by the Employer and will be made available in places intended
287 to reach bargaining unit employees for a minimum of seven (7) days prior to
288 the closing of the application period. The University may limit the scope of the
289 posting area if applications only from within the posting area are accepted.

290 D. The Employer will determine if applicants possess the essential skills required
291 of the position. Essential skills are the minimum qualifications listed in the job
292 description for the classification and any specific position requirements. The
293 Employer will refer all current bargaining unit applicants possessing the
294 essential skills prior to referring any non-bargaining unit applicants. Where the
295 skills, abilities and experience of the vacant position applicants are considered
296 equal, the Employer will offer the position to a bargaining unit applicant. Should
297 the senior qualified applicant not accept the position, the Employer shall offer
298 the position in seniority order to the other qualified applicants before hiring
299 outside. In accordance with applicable law, affirmative action goals will be
300 considered when filling vacancies.

301 E. At least ~~one~~two (~~1~~2) bargaining unit applicants per job requisition, who is a
302 regular monthly employee and who possesses the essential skills, shall be
303 among those granted an interview for bargaining unit positions. Which
304 bargaining unit applicant(s) the Employer chooses to interview shall not be
305 grievable.

306 F. Applicants from within the bargaining unit determined not to possess the
307 essential skills for the vacant position may seek a non-grievable review of the
308 assessment through the Human Resources Office. Applicants from the
309 bargaining unit who possess the essential skills but are not offered the position
310 may request an explanation, written or oral, as to why the position was not
311 offered.

312 F.G. Upon request, the Employer will provide the Union with a list of bargaining
313 unit employees who applied for lateral or promotional opportunities for a
314 specific job posting. Such request must include the requisition number for the
315 job posting.

Either the Employer or the employee may end the appointment by providing notice. Both the trial service requirement and reversion rights (Employer and employee) apply to employees accepting positions represented by a different Union.

14.8 Promotion or Lateral Movement. Promotional or lateral appointees will serve a six (6) month trial service period. During the first two (2) months of the trial service period, promoted or lateral employees have preemptive rights to their former position. After the first two (2) months but during remainder of trial service, employees who are not staying in the new position shall have the option to revert to their former position if it is still vacant, be considered for reassignment in the same class as their former class in the same department as their former position, or be placed on the rehire list.

17.3 Scheduling.

a. The annual vacation schedule for use of vacation time off in each department shall be established in the existing departmental manner if adequate or in the following manner:

1. Twice each year, on or about April 1 and October 1, a vacation request sheet shall be circulated by the department to the bargaining unit employees. Each employee shall indicate their preferences of a vacation time period. In the event that two (2) or more employees request the same vacation period and supervision must limit the number of persons who may take vacation leave at one (1) time due to work requirements, preference shall be determined by departmental seniority. If departmental seniority is equal, the determination will be decided by lot.
2. Supervision shall post the vacation schedule by May 1 and November 1, which shall remain in effect for each succeeding six (6) months; that is, June 1 through November 30 and December 1 through May 31,

- 26 respectively. Individual vacation periods may be changed at any time by
27 mutual agreement between the employee(s) concerned and
28 supervision. However, in no case shall an employee's scheduled
29 vacation interfere with the necessary work of the organization, the
30 determination of which shall rest with supervision. Either the Union or
31 employees may suggest new departmental procedures and/or changes
32 to existing departmental procedures. These may also be appropriate
33 agenda items for Joint Labor Management meetings. The Employer will
34 not create a new departmental procedure nor change an existing
35 departmental procedure (include the schedule listed above) without
36 following Article 40 Mandatory Subjects.
- 37 b. Employees may make supplemental vacation requests (requests made outside
38 the provisions of 17.3(a)) at any time. However, such supplemental requests
39 shall not take precedence over requests scheduled in accordance with 17.3(a).
40 Individual vacation periods may be changed at any time by mutual agreement
41 between the employee(s) concerned and supervision; however, in no case
42 shall an employee's scheduled vacation interfere with the necessary work of
43 the organization, the determination of which shall rest with supervision.
44 An employee who makes a supplemental vacation request will be notified
45 whether the request is approved or denied within a reasonable period of time,
46 but in no case more than fourteen (14) calendar days after the supplemental
47 vacation request is submitted.
- 48 c. Any bargaining unit employee who may transfer into a department shall alter
49 their preferred vacation period for that year if in conflict with a previously
50 established vacation schedule for that department and the affected employees
51 and department are unable to mutually resolve the conflict.
- 52 d. Vacation Denial. When an employee's vacation cannot be approved, the
53 supervisor shall schedule the employee's vacation at the next earliest date
54 requested by the employee and deemed possible by the supervisor. If an
55 employee's request for vacation leave is denied, the Employer, upon request,
56 must provide the reason for denying vacation leave electronically or in writing.
57 The Employer may implement reoccurring blackout periods only when there is
58 a demonstrable business or operational need.
- 59 e. Vacation Cancellation: In the event that the University cancels an employee's
60 scheduled vacation, leaving no time to reschedule such vacation before the
61 employee's maximum balance will be reached, the employee's vacation
62 balance will be permitted to exceed the allowable maximum and the employee
63 will continue to accrue vacation for a period of up to six (6) months in order to
64 allow rescheduling of the employee's vacation.
- 65 f. Holiday Rotation. Vacation requests filed in accordance with 17.3(a) for the
66 week including Thanksgiving and the weeks including Christmas Day and New
67 Year's Day shall be granted on a rotating basis. The rotation will begin with the
68 most senior person and shall proceed in that order until all staff wishing to take
69 vacation leave during those holiday periods have done so. No employee shall
70 be granted more than one (1) of the aforementioned weeks in a single year,

71 unless there are no other interested employees and the department is able to
72 grant the request based on operational needs.
73

74 17.4 Vacation Time Off Maximum. Employees may accumulate maximum vacation
75 balances not to exceed the statutory limits in accordance with RCW 43.01.040
76 (currently two hundred eighty (280) hours). However, there are two (2) exceptions
77 that allow vacation time off to accumulate above the maximum:
78

79 A. If an employee's request for vacation time off is denied by the Appointing
80 Authority or designee, and the employee has not exceeded the vacation time
81 off maximum (currently two hundred eighty (280) hours), the Employer shall
82 grant an extension for each month that the Employer defers the employee's
83 request for vacation time off.

84 B. An employee may also accumulate vacation time off in excess of the statutory
85 limit (currently two hundred eighty (280) hours) as long as the employee uses
86 the excess balance prior to their anniversary date. Any leave in excess of the
87 maximum that is not deferred in advance of its accrual as described above, will
88 be lost on the employee's anniversary date (time off service date).
89

90 17.5 Vacation Time Off Cash Payment. Any employee who has been employed for at
91 least six continuous months, who either resigns or retires, is laid-off or is

Consistent with the federal Family and Medical Leave Act of 1993 and APS 45.5, an employee who has worked for the state for at least twelve (12) months and for at least one thousand two hundred and fifty (1250) hours during the twelve (12) months prior to the requested leave is entitled to up to twelve (12) work weeks of leave per year for any combination of the following:

- a. parental leave to care for a newborn or newly placed adopted or foster child; or
- b. personal medical leave due to the employee’s own serious medical condition that requires the employee’s absence from work; or
- c. family medical leave to care for a family member who suffers from a serious medical condition that requires care or supervision by the employee. Family Member is defined as: the employee’s spouse or same or opposite sex domestic partner, child, parent, grandparent, grandchild, sister, or brother. It also includes individuals in the following relationships with the employee’s spouse or domestic partner: child, parent, and grandparent. “Child” also includes any child residing in the employee’s home through foster care, legal guardianship or custody. Family members include those persons in a “step” relationship.

21.2 The amount of family medical leave available to an employee is determined by using a rolling twelve (12) month period. The rolling twelve (12) month period measures FMLA leave availability by “looking backward” from the date an employee begins FMLA leave, adding up any FMLA leave used in the previous twelve (12) months, and subtracting that amount from the employee’s twelve (12) workweek FMLA leave entitlement. The remaining amount is available to the employee.

- a. While on leave covered by FMLA, the employee must use accrued time off before unpaid time off for the absence unless it runs concurrently with Washington Family and Medical Leave (PFML).
- b. The Employer will not require the use of paid time off such that it would result in the employee having fewer than eighty (80) hours of accrued vacation time off or eighty (80) hours of accrued sick time off, counted separately, upon return to work. Vacation and sick time off that has been requested and approved prior to the request for the use of FMLA will not be considered when requiring employees to use leave during FMLA-covered leave. This does not apply during an absence covered by the Washington Family and Medical Leave Program (PFML).

21.3 The University will continue the employee’s existing employer-paid health insurance benefits during the period of leave covered by FMLA. If necessary, due

45 to continued approved personal medical or parental leave approved beyond the
46 FMLA period, or if the employee is not eligible for FMLA, the employee may elect
47 to use eight (8) hours of accrued applicable paid leave for continuation of employer
48 paid health insurance benefits for the duration of the approved leave of absence.
49 The interspersed paid leave will be applied to the first working day of the month.
50

51 21.4 FMLA leave may be taken intermittently or as part of a reduced work schedule
52 when medically necessary.
53

54 21.5 Parental Leave. Parental leave is defined as: up to six months of leave taken after
55 the birth of a child to the employee, spouse or domestic partner, or because of the
56 placement of a child with the employee or domestic partner through adoption or
57 foster care, including time covered by the FMLA, during the first year after the
58 child's birth or placement. Leave beyond the period covered by FMLA may only
59 be denied by the Employer due to operational necessity. Extensions beyond six
60 (6) months may be approved by the Employer. For birth parents, temporary
61 disability leave for pregnancy is in addition to parental leave.
62

63 To be paid during Parental leave the employee must use accrued vacation time
64 off, sick time off up to eighteen (18) weeks (720 hours), personal holiday, holiday
65 credit, or compensatory time, the combination of which may be determined by the
66 employee. Employees must use all applicable accrued time off prior to using
67 unpaid time off.

ARTICLE 23 – SHARED LEAVE

23.1 The purpose of this article is to inform employees of the basic provision of the leave-sharing program established by RCW 41.04.650- 41.04-670, as now or hereafter amended. In the event that there is any question as to leave sharing eligibility, entitlement or definition of terms, the language of the Revised Code of Washington is definitive.

The leave sharing program permits eligible state employees to donate a portion of their paid time off to financially aid other state employees who will need to take a leave of absence or separate from employment because the employee:

- Has a severe or extraordinary illness; or
- Has caregiver responsibilities for a relative or household member with a severe or extraordinary illness; or,
- Is serving as an approved emergency worker; or,
- Is voluntarily or involuntarily serving in one of the uniformed services; of the United States, or,
- Is a victim of domestic violence, sexual assault or stalking, or assisting a family member who is a victim of domestic violence, sexual assault or stalking; or,
- Is sick or temporarily disabled due to a pregnancy-related medical condition or miscarriage; or
- Is taking parental leave to bond with and care for their newborn, adoptive or foster child, for a period of up to sixteen (16) weeks after birth or placement.

23.2 Shared Leave Program. The shared leave program is administered consistent with state law and University policy. Employees seeking to request shared leave or to donate shared leave to another employee will follow the request procedures that the Human Resources Department publishes for that purpose.

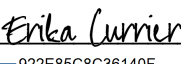

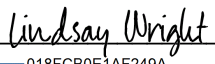

23.3 WA State Shared Leave Pool Programs. In accordance with state law and University Policy, eligible state employees may donate leave to the following shared leave pool programs:

- Uniformed Services Shared Leave Pool Program
- Foster Parent Shared Leave Pool Program
- Veterans' In-State Service Shared Leave Pool Program

Unpaid time off will be granted for a reason of faith or conscience for up to two (2) workdays per calendar year as provided below.

- a. Unpaid time off will be granted for up to two (2) workdays per calendar year for a reason of faith or conscience or an organized activity conducted under the auspices of a religious denomination, church or religious organization. An employee’s personal holiday must be used in full workday increments.
- c. An employee’s seniority date, probationary period, ~~or~~ trial service period, or holiday pay eligibility will not be affected by unpaid time off taken for a reason of faith or conscience.

ARTICLE 25 – ABSENCE DUE TO CHILD-FAMILY CARE EMERGENCIES

- A. There are two types of family care emergencies:
 - a. A child care emergency is defined as a situation causing an employee’s inability to report for or continue scheduled work because of emergency child care requirements such as an unexpected absence of a regular care provider, an unexpected closure of the child’s school, or an unexpected need to pick up child at school earlier than normal.
 - b. An elder care emergency is defined as a situation causing an employee’s inability to report for or continue scheduled work because of emergency elder care requirements.
- B. An employee who is unable to report for or remain at work due to a family care emergency may use vacation time off, sick time off, compensatory time, holiday credit, or unpaid time off up to a maximum of three (3) days of each type time off leave per calendar year, and their personal holiday. Use of any of the above time off types is dependent upon the employee’s eligibility to use such time off leave. The employee upon returning from such an absence shall designate to which time off type the absence will be charged.
- C. In accordance with RCW 49.46.210, sick time off may be used when an employee’s child’s school or place of care has been closed by order of a public official for any health-related reason or after the declaration of an emergency by a local or state government or agency, or by the federal government. Health-related reason means a serious public health concern that could result in bodily injury or exposure to an infectious agent, biological toxin, or hazardous material.

Article 26 – Civil/Jury Duty Time Off and Bereavement Time Off

For the purposes of this Article, paid leave-time off will be the wage the employee receives in their appointed position plus any additional compensation (including, but not limited to shift differential and assignment pay) and benefits.

26.1 Civil Duty. Paid time off will be granted for jury duty, to serve as trial witnesses, or to exercise other subpoenaed civil duties such as testifying at depositions. Employees are not entitled to civil duty time off for civil legal actions that they initiate or when named as a defendant in a private legal action that is unrelated to their University employment. The employee will notify the Employer as soon as they become aware of the need for a civil duty time off.

Employees assigned to work evening shift, who are scheduled to work the evening of civil duty shall be considered to be scheduled for the day shift for that day.

Employees assigned to work the night shift who are scheduled to work the day before and the day of civil duty leave will be allowed to have their civil duty time off the day before or the day of civil duty service.

26.2 Bereavement Time Off. An employee shall be granted up to three (3) continuous or non-continuous days of bereavement leave, as requested by the employee, for each death of a family member including the stillbirth or miscarriage of a child. Bereavement time off beyond three (3) days may be approved based on individual circumstances, such as relationship of the employee to the deceased family member, employee responsibility for making funeral arrangements, religious reasons and/or distance of travel out of the area. Upon the Employer’s approval, the employee may choose to use the following types of time off for beyond the three (3) days: sick time off, vacation time off, holiday credit, compensatory time, personal holiday, or unpaid time off.

The University of Washington recognizes that “family” is a cultural concept and can vary between individuals. For the purposes of this article, family members includes biological, adoptive, de facto, or foster parent, stepparent, or legal guardian of an employee, or a person who stood in loco parentis when the employee was a minor child; sibling, spouse, domestic partner, grandparent, grandchild, or child, regardless of age or dependency status, including a biological, adopted or foster child, stepchild, or a child to whom the employee stands in loco parentis, is a legal guardian, or is a de facto parent. Family members include those persons in a “step” relationship. Family member also includes individuals in the following relationships with the employee’s spouse or domestic partner: child, parent (as defined above), or grandparent.

An employee who is a victim of domestic violence, sexual assault, or stalking may request a reasonable safety accommodation, which may include but is not limited to, transfer, reassignment, modified schedule, changed work telephone number, changed work email address, changed workstation, installed lock, implemented safety procedure, or any other adjustment to a job structure, workplace facility, or work requirement.

Time off may also be granted to an employee who has to assist a family member who is a victim of domestic violence, sexual assault or stalking. The parties will continue to work to promote knowledge of this employee right.

ARTICLE 31 – HEALTH AND SAFETY

31.1 Health and Safety. It is the policy of the University of Washington to create and maintain a safe and healthful workplace free from recognized hazards that may cause harm to employees, consistent with and in compliance with applicable state and federal laws. Employees will play an active role in creating a safe and healthy workplace and will comply with all applicable health and safety rules. The Union and the Employer are jointly committed to the goal of implementing an effective health and safety program and accident prevention program that meets or exceeds Division of Occupational Safety & Health Administration (DOSH) WISHA requirements.

31.2 Safety. All work shall be performed in conformity with applicable health and safety standards. Employees are encouraged to immediately report any unsafe working conditions to their supervisor. If the matter is not resolved satisfactorily between the supervisor and employee, either may involve the Union Steward and request a decision from a medical center’s Safety Officer, and/or the University’s Department of Environmental Health & Safety or the Department of Labor & Industries. No other employee may do the work believed to present an imminent risk to life and safety until a risk assessment has been done by the Safety Officer and/or the University’s Department of Environmental Health & Safety, or the Department of Labor & Industries, and it is confirmed that there is no imminent hazard. Once a risk assessment is completed and it is confirmed that there is no imminent hazard and conditions meet DOSH WISHA standards, the employee will be expected to perform the work.

Employees are encouraged to attempt to resolve the matter first with the supervisor, then the Safety Officer and/or the University’s Department of Environmental Health & Safety prior to going outside the University.

No employee shall be disciplined or retaliated against for reporting any such condition.

31.3 Workplace Climate Safety. For work that cannot be performed remotely, the University will follow state and University EH&S workplace safety rules and guidelines for the prevention of heat related illness and wildfire smoke. Additional mitigation strategies needed to address climate issues in specific worksites are appropriate topics for Joint Union/Management committee meetings.

~~31.43~~ Reporting. Employees in the bargaining units are encouraged to report immediately to their supervisor and/or designated safety official any apparent unsafe working condition. Employees shall use required safety devices and perform work according to required safety procedures.

If a supervisor, the Employer-designated safety official, Labor and Industries or Environmental Health and Safety (telephone 206-543-7262) declare a work site to

47 be hazardous and unfit for work, affected employees may be assigned to
48 alternative work sites until the hazardous condition is rectified. If assignment to an
49 alternative work site is not possible and the supervisor decides to send the
50 employee(s) home, those employees sent home will receive their regular pay for
51 all time the employee(s) is scheduled to work on the day of the incident. For all
52 subsequent days the employee(s) may use accrued leave as appropriate or
53 request make up time as follows:

- 54
- 55 a. Employees must request make up time within three (3) working days after
56 operations resume.
 - 57 b. Reasonable work must exist and the supervisor must approve the request to
58 work. The time must be made up within ninety (90) calendar days after
59 operations resume.
- 60

61 31.54 Health Examinations. The Employer shall provide at no cost to the employee, such
62 medical tests, health examinations and surveillance/monitoring as may be required
63 as a condition of employment and/or as a result of regulated hazards encountered
64 during employment. Employees may contact their respective Employee Health
65 Center at any time if they have questions relating to occupational health
66 examinations.

67

68 31.65 Safety Committees. Joint employee-elected and Employer appointed safety
69 committees shall be formed in accord with DOSHWISHA requirements and
70 following University of Washington policy. The Union is entitled to representation
71 on the University-wide or specific organizational or divisional committees where
72 bargaining unit employees are working. Any department or unit committee also
73 dealing with health and safety issues in work areas shall appropriately involve
74 bargaining unit employees. Participation in safety and health committees, including
75 meeting time, health and safety research, work on committee assignments,
76 seminars, and classes will be considered time worked for all employees in
77 accordance with University policy. Release time must be arranged with
78 supervisors in advance.

79

80 When the committee makes a recommendation that requires action or approval
81 beyond its scope of authority, the Employer will communicate its disposition of the
82 formal written recommendation within thirty (30) days.

83

84 31.76 Ergonomics. The supervisor/manager will provide training and equipment for staff
85 to safely perform job functions and avoid injury. Employees should contact their
86 supervisor if job procedures, equipment or workstations lead to risk of injury or
87 work-related musculoskeletal disorders. Further ergonomic guidelines shall be
88 referenced on the Environmental Health and Safety website
89 <https://www.ehs.washington.edu/workplace/ergonomics>
90 www.ehs.washington.edu. For information or to request an ergonomic evaluation
91 of their workstation, UW Medicine medical facility employees should contact their
92 respective UW Medicine Employee Health Center. All other UW employees should

93 contact the UW Environmental Health & Safety (EH&S) Department's Ergonomics
94 Program.

95
96 31.87 Workplace Review.

97
98 Supervisors or their designee will periodically inspect all areas of the worksite
99 where bargaining unit employees are required to frequent for the identification of
100 recognized hazards, including ergonomic conditions, and put in place appropriate
101 and feasible mitigations for any identified conditions that may be hazardous to
102 health and safety. Results of these inspections will be made available to the Union
103 upon request. Such mitigations may include the use of engineering controls,
104 administrative controls, the use of personal protective equipment, and/or increased
105 training. The organizational unit will determine the appropriate frequency of the
106 inspections and such frequency shall be an appropriate topic for Union
107 Management meetings.

108

49 Teleworking can be considered a means to meet business needs, use office
50 space more efficiently, reduce vehicle and transit trips and costs, and improve
51 employee productivity, morale and retention. Teleworking can also serve as a
52 way to keep inclement weather from interrupting operations.

53 B. Employees' work status, job duties, and job description will remain consistent
54 with the on-site Employees of the same job classification, except that Employee
55 may be required to make periodic trips to an Employer site for meetings and
56 equipment repair. Employees remain obligated to comply with all of Employer's
57 rules, policies, practices and procedures except as designated in this article.

58 C. Employees may propose new or revised individual teleworking agreements
59 when they believe new efficiencies, technologies, or work processes would
60 enable the remote completion of work previously performed onsite.

61 D. The Employer will provide necessary equipment for telework per University
62 policy. If the employee is required to pick up or drop off any provided equipment
63 this shall occur during paid time.

64 E. Departmental policies around teleworking will be considered appropriate
65 subjects for Joint Labor Management Meetings.

66 F. Termination of hybrid or occasional teleworking arrangements shall require no
67 less than five (5)thirty (30) business days written notice, unless it is for alleged
68 misconduct or an emergency, in which case, it may be terminated immediately,
69 or longer as included in the teleworking agreement.

70 G. For fully remote employees, termination of telework arrangements shall require
71 no less than thirty (30) business days' notice, but the Employer will provide
72 additional notice whenever possible. Employees may request an extended
73 transition time. Telework arrangements may be terminated immediately in the

1
2
3 36.1 The parties will follow the “Corrective Action/Dismissal Process” outlined below.
4 No employee shall be subject to the process except for just cause. The corrective
5 action process will be considered to incorporate the concept of progressive action

9

10 36.2 Representation.

- 11
12 a. Employees shall be notified orally or in writing that upon request they shall be

18 representation without unduly delaying the process.
19 b. Upon request, an employee has the right to a union representative at an
20 investigatory interview called by the Employer, if the employee reasonably
21 believes corrective action could result. The employer will provide reasonable
22 time to allow an employee to secure a representative. The role of the union
23 representative in regard to an Employer-initiated investigation is to provide
24 assistance and counsel to the employee and not interfere with the Employer’s
25 right to conduct the investigation. Every effort will be made to cooperate in the
26 investigation.
27 c. An employee placed on an alternative assignment during an investigation will
28 not be prohibited from contacting their union steward unless there is a conflict
29 of interest, in which case the employee may contact another union
30 steward. This does not preclude the Employer from restricting an employee’s
31 access to the Employer’s premises.
32 d. An interpreter can be requested by either party and will be provided.
33

34 36.3 Coaching. Informal discussion or instruction between employee and their
35 immediate supervisor. Supervisor may follow up in writing which may include a
36 simple action plan. This is not a form of corrective action.
37

38 36.4 Corrective Action/Dismissal Process. The Employer will make clear when formal
39 or final counseling is being conducted and will inform the employee about their
40 right to representation under the CBA. When counseling or dismissing an
41 employee, the Employer will make every effort to protect the privacy of the
42 employee. Translators may be requested by any party.
43

- 44 36.5 Formal Counseling. Formal counseling (may involve administrative personnel
45 other than the employee's immediate supervisor) including the development of a
46 written action plan. The action plan will identify specific problem areas,
47 performance objectives, suggestions for remedying, and a timeframe for
48 improvement. Prior to issuance of formal counseling, a meeting may be scheduled
49 by the employer or requested by the employee to give the employee an opportunity
50 to make their case before the final decision is made. Employee requests for such
51 a meeting will be granted. An employee is entitled to representation at this meeting.
52
- 53 36.6 Final Counseling. Final counseling (may involve administrative personnel other
54 than the employee's immediate supervisor) including action plan discussion and
55 revision, where appropriate. Upon issuing a final counseling, the Employer may
56 elect to provide the employee with paid time off for the remainder of the workday.
57
- 58 36.7 Dismissal. Prior to dismissal, a pre-determination meeting will be scheduled to give
59 an employee an opportunity to make their case before the final decision is made.
60 The employee has the right to have a union representative present at the pre-
61 determination meeting. At least five (5) days prior to the meeting, the employee
62 will be informed in writing of the reasons for the contemplated dismissal and given
63 referenced documentation. The employee will be furnished with written notification
64 of the outcome of the pre-determination hearing.
65
- 66 36.8 Demotion. Demotion of Leads and/or Supervisors may be initiated by the Employer
67 at any step of the Corrective Action process.
68
- 69 36.9 Removal of Records. Upon written request by the employee, any formal or final
70 counseling, excluding those for workplace violence or University policies against
71 harassment, discrimination, or retaliation, will be removed from an employee's
72 personnel file after three (3) years if the following criteria have been met:
73
- 74 1. Circumstances set forth in writing, and as determined by the University do not
75 warrant a longer retention period; and
 - 76 2. There has been no subsequent corrective action.
77
- 78 Nothing in this Article prevents the Employer from agreeing to an earlier removal
79 date.
80
- 81 Once a corrective action has been removed from the employee's file as outlined
82 above, the information removed will not be used in subsequent corrective action,
83 unless mutually agreed otherwise.
84
- 85 36.10 Grievability/Arbitrability. Formal counseling may be grieved beginning at Step One

38.1

- a. Seniority. Layoff seniority is defined as the continuous length of service in calendar days with the Employer from the most recent date of hire. Service of less than full time shall be considered full time. Time spent on paid or unpaid time off will not impact layoff seniority. Time spent on the layoff rehire list shall not be included in computing layoff seniority. Employees who enter into the bargaining unit from other state agencies and institutions of higher education shall earn layoff seniority from the first day of coverage under this Agreement.
- b. Department Seniority. Department seniority is defined as continuous length of service in calendar days within the employee’s department and where applicable, shall be used for internal department processes, such as vacation and schedule bids.
- c. Layoff Seniority Tiebreaker. For the purposes of layoff only, when it is necessary to determine the order of seniority among bargaining unit members whose contract seniority is identical, a random chance method will be employed to select the names of those employees one at a time. The University shall inform the Union every time this method is necessary and will provide proof of the seniority tie. When selecting among employees whose seniority is identical, the Union may be represented by any individuals it chooses, and will draw the names. The University will be represented by a manager/administrator from the Department involved and a representative from Human Resources.

The first employee selected will be considered the most senior; the last employee selected will be considered the least senior.

38.2

- a. Layoff.
 1. Whenever it becomes necessary for the Employer to reduce its workforce due to lack of work, lack of funds, or good faith reorganization for efficiency

- 45 purposes, the Employer shall use the following procedure. The Employer
46 will notify the Union of impending layoffs thirty (30) calendar days in
47 advance of implementation so that reasonable alternative proposals can be
48 considered. Whenever possible the Employer will provide more than
49 minimum notice.
- 50 2. The Employer shall not lay off bargaining unit employees in lieu of
51 disciplinary action.
- 52 3. Employees will be laid off in accordance with seniority, as defined in Article
53 38.1(a).
- 54 b. Employment Option. The employee affected by the reduction in force shall be
55 offered the following employment option in descending order, provided they meets
56 the essential skills (defined as the minimum qualifications listed in the job
57 description for the classification and any specific position requirements or
58 credentialing) of the offered position:
- 59 1. A funded vacant position within the same job classification and layoff unit.
60 2. The opportunity to replace the most junior employee in the same
61 classification within the layoff/seniority unit.
62 3. A funded vacant position in a lower classification within the same series
63 within the layoff unit.
64 4. The opportunity to replace the most junior employee in a lower classification
65 within the same series within the department.
- 66 c. Notice. The Employer shall identify the positions to be abolished and the
67 employee(s) to be affected and shall notify employees in these positions, with
68 notice to the union, not less than thirty (30) calendar days prior to the abolishment
69 of the positions, pay the employee in lieu of notice, or combine pay and notice.
70 Whenever possible the Employer will provide more than minimum notice. The
71 notice shall include:
- 72 1. The effective date of the layoff and a reference to the employee's rights
73 under this Article, and
74 2. Identification of the employment option being offered, if applicable.
75
- 76 In accordance with 38.2.b. above, if the incumbent in a position to be abolished
77 has an opportunity to replace the most junior employee within the layoff/seniority
78 unit, the incumbent will be given up to three (3) business days to determine if they
79 want to replace the junior employee or be placed on the rehire list. Vacant positions
80 or those held by probationary employees within the layoff/seniority unit will be
81 considered a more junior position.
82
- 83 d. FTE Increase or Reduction. An employee in a position that is not abolished but is
84 increased or reduced in FTE status and who will remain benefit eligible after the
85 reduction or increase will have the choice of staying in the reduced or increased
86 position and going on the rehire list for the position and FTE status held by the
87 employee immediately prior to the increase or reduction or exercising available
88 layoff rights under 38.2. The employee must exercise this choice within three (3)
89 working days of the increase or reduction notice.

- 90 e. Voluntary Layoff. Appointing authorities will allow an employee in the same job
91 classification and department where layoffs will occur to volunteer to be laid off
92 provided that the employee is in a position requiring the same skills and abilities,
93 as a position subject to layoff. Any volunteer for layoff shall have no formal layoff
94 option. If the appointing authority accepts the employee's voluntary request for
95 layoff, the employee will submit a non-revocable letter stating they are accepting
96 a voluntary layoff from the University. The employee will be placed on all applicable
97 rehire lists.
- 98 f. Rehire. The Employer shall make a concerted effort to re-employ bargaining unit
99 members on the rehire list. Bargaining unit members on the rehire list are eligible
100 to take all Professional & Organizational Development (POD) courses on a space
101 available basis upon payment of designated fees. Employees without employment
102 options will be placed on the rehire list(s) designated by the employee for twenty-
103 four (24) months. In addition to the rehire list for the classification and FTE status
104 from which the employee was laid off, employees identified for layoff may request
105 placement on the following rehire lists:
- 106 1. For positions of a lower FTE status in the classification from which the
107 employee was laid off (or equivalent if prior classification has been
108 abolished); and
 - 109 2. For positions in other classifications in which the employee previously held
110 permanent status; and
 - 111 3. Lower classes in the series from which the employee was laid off.
112 The Employer will refer an employee from the designated rehire list(s) for
113 any open positions in the bargaining unit for which the laid off employee
114 possesses the essential skills. For classifications which have separate job
115 codes in the Campuswide and Harborview Bargaining Units, Rehire lists will
116 include both job codes. Employees referred from the rehire list(s) who
117 possess the essential skills needed for a vacant position will be offered the
118 position prior to the Employer posting for competitive recruitment. From
119 among these employees, offers will be made in seniority order, most senior
120 person first. Job requests for positions for which there are employees on
121 rehire list(s) may not be withdrawn solely to avoid hiring laid off employees.
 - 122 4. The Employer will provide a copy of the Rehire List to the Union upon
123 request.
 - 124 5. When the job classification the employee was laid off from is represented
125 by both SEIU 925 and WFSE 1488 the employee will be placed on the rehire
126 list for the specific job classification for both unions.
- 127 g. Rehire Trial Period. Employees placed into vacant positions from the rehire list will
128 serve a three (3) month rehire trial period. During the rehire trial period either party
129 may, at its sole discretion and without resort to the grievance procedure, initiate
130 return to the rehire list. Time spent in a rehire trial period will not count toward the
131 twenty-four (24) month rehire list period. The three (3) month rehire trial period will
132 be adjusted to reflect any paid or unpaid leave taken during the period.
- 133 h. Corrective Action. Final Counseling that occurs within the six (6) months prior to
134 the layoff will be considered in effect should the employee be rehired. The

135 employee will continue to be subject to any consequences of not following the
136 directives and/or action plan(s) specified in the current corrective action.

137 i. Removal from List. Removal from the rehire list(s) will occur for any of the following
138 circumstances:

- 139 1. If placement does not occur within twenty-four (24) months,
- 140 2. If the employee refuses two (2) offers of placement for a position having the
141 same pay, FTE status and shift as the position from which the employee
142 was laid off, or as listed in the employee's option selection form. In such
143 case, the employee will be removed from all other rehire lists and will have
144 exhausted their rehire rights.
- 145 3. If the employee was placed into two (2) vacant positions for which the
146 employee has failed to complete the rehire trial period.
- 147 4. If the employee accepts any offer of placement from any rehire list and
148 completes the rehire trial service period for a position with the same FTE
149 status and pay as the position from which the employee was laid off.
- 150 5. Employees who reject two (2) offers of placement from a list for a position
151 of a lower FTE status than that which the employee held immediately prior
152 to layoff will be removed from that list.
- 153 6. Employees who reject one (1) offer of placement from a list for a position in
154 a classification other than that from which the employee was laid off will be
155 removed from that list.

156 j. Rehire List Crossover. Employees in bargaining units represented by either SEIU
157 925 or WFSE can be placed on the rehire list for either or both bargaining units.
158 within an SEIU Local 925 represented bargaining unit may, in accordance with this
159 Article, be placed on the rehire list for positions in another SEIU Local 925
160 represented bargaining unit.

161
162 38.3 Rehire Wages and Increment Date. When employees are rehired from layoff status
163 the progression start date and annual leave accrual date will be reestablished and
164 extended by an amount of time in calendar days equal to the period of time spent
165 on the rehire list prior to rehire. Employees placed from the rehire list into positions
166 with the same salary range held at the time of layoff shall be placed at the same
167 step in the range held at the time of layoff, regardless of whether or not the
168 department intends to fill the position at a lower step in the pay range. Employees
169 placed from the rehire list into positions with a lower salary range than held at the
170 time of layoff shall be placed in a salary step, not to exceed top automatic step,
171 nearest to, but not in excess of, the salary held at time of layoff.

172
173 38.4 ~~Affirmative action goals may be considered at any point during the layoff or rehire~~
174 ~~process.~~

175
176 38.5 Benefits and Temporary Services. Employees on the rehire list who follow the rules
177 prescribed by Temporary Services may be referred to temporary positions and can
178 receive employer paid health benefit coverage if they meet the eligibility
179 requirements as determined by the State.

ARTICLE 39 – RESIGNATION AND ABANDONMENT

39.1 Resignation. Employees are encouraged to provide at least two weeks’ notice of resignation. A written or oral resignation may be withdrawn within twenty-four (24) hours excluding the employee’s scheduled days off and holidays off, after submitting the resignation. The employee may only withdraw one resignation per position held. The Employer may permit withdrawal of resignation at any time.

39.2 Presumption of Resignation/Abandonment.

a. An employee who fails to appear for work and report absence to the supervisor, in accordance with departmental policy, on three (3) consecutive scheduled workdays, shall be deemed to have resigned. The Employer will make reasonable attempts to contact the employee before the third (3rd) consecutive day of absence. Notice of separation will be sent to the employee’s last known address on record with the UW Payroll Office via certified mail after the third (3rd) consecutive day of absence. Prior to sending the notice, the Employer will attempt to contact the employee through current home telephone and emergency contact numbers on record in Workday Employee Self-Service and departmental records.

b. Within fourteen (14) calendar days of mailing the separation notice and upon proof that the failure to report absent could not reasonably have been avoided, an employee may submit to the supervisor a written petition for reinstatement. The Employer’s decision to not reinstate may be grieved according to the grievance procedure in Article 6.

39.3 Separated employees have the right to compensation for accrued vacation leave and compensation time according to University policy.

ARTICLE 40 – MANDATORY SUBJECT

Existing practices not contained in this contract which have a bearing on employee wages, hours, or working conditions shall not be modified or eliminated without tThe Employer ~~shall satisfy~~ing its collective bargaining obligations ~~before changing a matter that is a mandatory subject~~. The Employer will notify the union staff representative in writing, with a copy to the Executive Director of the Union, of these changes. The Union may request discussions about and/or negotiations on the impact of these changes on employee's working conditions. The Union will notify the Vice President of Labor Relations of any demands to bargain. In the event the Union does not request discussions and/or negotiations within thirty (30) calendar days, the Employer may implement the changes without further discussions and/or negotiations. There may be emergency or mandated conditions that are outside of the Employer's control requiring immediate implementation, in which case the Employer shall notify the Union as soon as possible.

Prior to making any change in written agency policy that is a mandatory subject of bargaining; the Employer shall notify the Union and satisfy its collective bargaining obligations per Article 40.

Unless agreed otherwise, the parties agree to begin bargaining within thirty (30) calendar days of receipt of the request to bargain. A valid request to bargain must include at least three (3) available dates and times to meet. If the union makes a request for information at the same time as the request to bargain, the thirty (30) calendar days will not begin until the information request has been fulfilled. Information requests made after the request to bargain will not delay the scheduling of discussion and/or negotiations. The parties shall agree to the location and time for the discussions and/or negotiations. Each party is responsible for choosing its own representatives for these activities. The Union will provide the Employer with the names of its employee representatives at least seven (7) calendar days in advance of the meeting date unless the meeting is scheduled sooner, in which case the Union will notify the Employer as soon as possible.

Release Time

- a. The Employer shall approve paid release time for up to four (4) employee representatives who are scheduled to work during the time meetings or negotiations are being conducted, provided the absence of the employee will not interfere with the operating needs of the Employer. The Employer may approve leave without pay for additional employee representatives provided the absence of the employee will not interfere with the operating needs of the Employer. If the additional employee absence is approved, the employee(s) may use personal holiday, vacation time off, holiday credit, or compensatory leave instead of leave without pay.
- b. No overtime will be incurred as a result of bargaining and/or preparation for bargaining.

44 c. The Union is responsible for paying any travel or per diem of employee
45 representatives. Employee representatives may not use a state vehicle to travel to
46 and from a bargaining session, unless authorized by the Employer for Business
47 Purposes.

ARTICLE 41 – NEW EMPLOYEES

41.1 New Employees.

~~A. The Employer—UW Medicine and UW Campus~~ will each offer a regularly scheduled, in-person, all day new employee orientation (NEO) which will include a benefits orientation. The orientations will be offered by UW Medicine’s Organization Development and Training department and the UW Campus office of Professional and Organizational Development in coordination with the Benefits Office. ~~and t~~The Employer will require new employees whose work location is from in the Seattle Main Campus to attend NEO for the UW Campus. Employees at worksites or with an official duty station within a fifty (50) mile radius of the Seattle area will be encouraged to attend NEO in-person. Online orientations (self-paced) will be offered to employees in locations or positions that cannot attend in-person.

1. The Employer shall release a member presenter to attend.

4.2. The Union orientation is included on the agenda as part of the NEO.

B. A Union representative shall be allowed up to thirty (30) minutes with employees during the new employee orientation, and if applicable, member presenters shall be released for up to one (1) hour for online orientation, and up to two (2) hours for in-person orientation, depending on the distance traveled. Such release time will be subject to the operational needs of the department and does not count as time worked for the purposes of calculating overtime.

B.C. By the end of the week prior to each new employee orientation, the Employer will send the Union a list of all new hires scheduled to attend NEO, with all contact and job information available.

~~C.D.~~ If the University conducts orientation on-line, the Union will be permitted to display a reasonable amount of information as part of the program.

E. For employees hired into the bargaining unit who do not attend the orientation described in A and B above, within ninety (90) days of the employee’s start date, the Employer will provide the Union access to the employee during the employee’s regular work hours to present information about the Union. This access will be provided at the employee’s regular worksite, or at a location mutually agreed to by the Employer and the Union and will be for no less than thirty (30) minutes.

~~D.F.~~ The Union may conduct its orientation virtually. New hires who do not attend in-person union orientation will be released for the 30 minute online orientation.

ARTICLE 42 – UNION ACTIVITIES, RIGHTS, AND STEWARDS

42.1 Staff Representatives.

- a. Within thirty (30) calendar days from the effective date of this Agreement, the Union shall provide the Office of Labor Relations a list of staff representatives. The Union shall provide written notice to the Employer of any changes within thirty (30) calendar days of the change.
- b. Staff representatives may access University premises to carry out representational activities. The representative shall notify local management prior to their arrival and shall not interrupt the normal operations of the institution. The staff representative may meet with bargaining unit employees in non-work areas during non-work times.

It is understood that any such visits which require a meeting with an employee will be restricted to the non-working time of the employee unless otherwise authorized by management or provided for elsewhere in this Agreement, and that there will be no interference with an employee’s work assignment. While inspecting the workplace, the Union may engage in de minimis conversations with employees, so long as an employee does not object and such conversation does not interfere or disturb the operation of the facility or compromise the security of patient health information

42.2 Steward Release Time. A steward who is processing a grievance in accordance with the grievance procedure of any SEIU Local 925 Agreement between the Employer and the Union shall be permitted reasonable time to assist in the resolution of legitimate employee grievances on the Employer’s property without loss of pay or recorded work time. Time off for processing grievances shall be granted to a steward by supervision following a request, but in consideration of job responsibilities. If permission for time off cannot be immediately granted, the supervisor shall arrange for time off at the earliest possible time thereafter.

A record of a steward’s work time spent on grievances or other authorized activity on behalf of the Union shall be maintained on a basis mutually agreeable between the Union and the department involved.

In the event the Employer determines that the amount of work time used by any steward on grievances or other authorized Union activities is unreasonable, it may become a topic for mutual discussion between the parties.

- a. The Union shall prevail upon all employees in the bargaining unit and especially Union stewards, to make a diligent and serious attempt to resolve complaints at the lowest possible level. The Employer, likewise, shall prevail upon its

- 44 supervisory personnel to cooperate fully with the Union stewards and other
45 Union representatives in the speedy resolution of any grievance that may arise.
- 46 b. Union stewards shall primarily conduct representational duties only within their
47 designated area of jurisdiction. Stewards may represent members in another
48 jurisdiction if the steward designated for that other jurisdiction is unavailable
49 (e.g. away on approved leave), has a conflict, or if there is no steward in that
50 area. In the event that a steward is unavailable, the steward of the next
51 geographically closest designated jurisdiction will be contacted to represent the
52 employee. The number of stewards in a particular area and the jurisdiction
53 they serve shall be an appropriate subject of discussion between the Union and
54 the Employer.
- 55 c. The Union agrees to submit an up-to-date list to the Office of Labor Relations
56 once per month indicating the name of all Union stewards, their work locations,
57 department, jurisdiction and designation as a Lead, Chief, or Officer. In any
58 event, said list shall be submitted at least annually with changes noted as they
59 occur. Union stewards shall be recognized when the Office of Labor Relations
60 is informed of their appointment. Examples of jurisdiction are as follows:
61 UWMC, NWH, South Campus HSB, HMC, Health Sciences, South Lake Union,
62 Downtown, Airlift Northwest, UW Tower, Bothell Campus, Tacoma Campus,
63 Seattle Campus, and Sandpoint. Stewards shall be assigned by the
64 union. Lead Stewards, Chief Stewards, and Local/Chapter officers shall be
65 recognized to have broader jurisdictions.
- 66 d. Whereas it benefits the University to have Union stewards who understand the
67 contract and are trained in administration of the contract, each of the Union's
68 stewards shall be allowed a total of eight (8) working hours annually without
69 loss of pay to participate in the Union's steward training program. Said time off
70 shall be approved in advance by the employee's supervisor and shall be
71 contingent upon the ability to provide coverage during the time off.
72 The Union shall submit to the Office of Labor Relations at least fifteen (15) days
73 in advance the names of the employees (with their respective supervisors) that
74 are scheduled to participate in the training. The Union will confirm the
75 employee's participation in the training upon completion.
- 76 e. New Steward Training. Where the Union requests in advance of an
77 investigatory meeting or grievance hearing that a second steward be present
78 to be trained or to provide training-steward, ~~—T~~his release will be approved
79 without loss of pay or recorded work time subject to the operational needs of
80 the second steward's department and notification to the steward's
81 Supervisor. Confirmation of attendance must be communicated to the
82 Supervisor and Human Resources representative attending the meeting in
83 advance of the meeting. No overtime or compensatory time will be earned for
84 participation ~~and no steward shall attend as a second steward more than once~~.

85 42.3 Union Business Activities.

- 86
87
88 a. Employees who intend to absent themselves from work for the purpose of
89 attending and participating in Union business functions or programs, such as

90 meetings, conventions, seminars, or other authorized meetings or to work for
91 the Union on a temporary basis at the Union's request, may do so with
92 supervisory approval. The Employee may use paid or unpaid time consistent
93 with University policy, including compensatory time, holiday credit, personal
94 holiday, accrued vacation time, or unpaid time off.

95 b. The Union and/or the employee shall request leave from the Employee's
96 immediate supervisor at least two (2) weeks prior to the planned absence.

97

98 42.4 Use of State Facilities, Resources, and Equipment.

99

100 a. Meeting Space and Facilities. The Employer's campuses and facilities may be
101 used by the Union to hold meetings subject to the University's policy and
102 availability of the space. The Employer may provide private space for stewards
103 and/or Union representatives to meet in confidence with those they represent
104 on a space available basis. Staff representatives may reserve and utilize
105 meeting rooms in accordance with University policy and procedure. Such
106 requests will be subject to availability and all applicable fees.

107 b. E-mail, Fax Machines, the Internet, and Intranets. Union delegates, and
108 members may utilize state owned/operated equipment to communicate with the
109 Union and/or the Employer only for the exclusive purpose of administration of
110 this Agreement. Such use will:

- 111 1. Result in little or no cost to the Employer;
- 112 2. Be brief in duration and frequency;
- 113 3. Not interfere with the performance of their official duties;
- 114 4. Not distract from the conduct of state business;
- 115 5. Not disrupt other state employees and will not obligate other employees
116 to make a personal use of state resources; and
- 117 6. Not compromise the security or integrity of state information or software.

118

119 The Union and its union delegates will not use the above referenced state
120 equipment in a manner that is prohibited by the Executive Ethics Board.
121 Communication that occurs when using state-owned equipment is the property
122 of the Employer.

123

124 c. Bulletin Boards and Distribution of Union Material. Upon request, space will be
125 made available to the Union on bulletin boards in those areas where bargaining
126 unit employees work or frequent, for the posting of notices and information
127 pertaining to official business of the Union. Materials posted on Union bulletin
128 boards without the signature of a recognized Union officer or representative
129 may be removed.

130

131 Employees shall have the right to distribute official Union information materials
132 during hours off work. Such distribution of official material shall not interfere
133 with the work assignments of employees who are on duty. Further, such
134 distribution activities must be held in locations which cause no interference with

135 the various departments normal operations or with any employees who may
136 not be involved or interested.

137 42.5 Temporary Employment with the Union. With thirty (30) calendar days notice,
138 unless agreed otherwise, employees may be granted leave without pay if the
139 employee is elected or appointed to serve as an officer or staff member of a
140 specified duration, not to exceed six (6) months, provided the employee's time off
141 will not interfere with the operating needs of the Employer as determined by
142 management. Upon request, the department may agree to an extension of leave
143 without pay up to an additional six (6) months. The returning employee will be
144 employed in a position in the same job classification, in the same layoff unit, and
145 in the same geographical area, as determined by the Employer.

146
147 42.6 Information Requests.

148
149 ~~A. All requests for information regarding the bargaining unit by the Union will be~~
150 ~~submitted in writing to the Office of Labor Relations. Requests will clearly~~
151 ~~identify what information is being sought and include the reason for the request.~~
152 ~~Requests will not normally extend more than twenty-four (24) months prior to~~
153 ~~the date of the request.~~

154 A.B. Upon written request of the staff representative or steward to the Office of
155 Labor Relations (laborrel@uw.edu), the Employer will provide relevant
156 information necessary for conducting representational duties.

157 B.C. The Employer will acknowledge receipt of the information request and will
158 provide the union with a date by which the information is anticipated to be
159 provided.

160 C.D. When the Union submits a request for information that the Employer
161 believes is unclear or unreasonable, the Employer will contact the Union staff
162 representative and the parties will discuss the relevance and necessity of the
163 request. The costs associated with the request and the amount the Union may
164 pay for receipt of the information may also be discussed.

2
3 43.1 Committee Purpose and Membership. A Joint Union-Management Committee is
4 established to provide a forum for communications between the two (2) parties and
5 to deal with matters of general Union/Employer concern. The committee’s function

8
9 Committee membership for employees in the University-wide Nonsupervisory,
10 University-wide Supervisory, and Health Care Professional/Laboratory Technical
11 bargaining units shall consist of three (3) bargaining unit employees and a Union
12 staff representative and four (4) Employer representatives to include the Assistant
13 Vice President of Labor Relations or designee.

14
15 Committee membership for employees in the Research Technologist and
16 Research Technologist Supervisor bargaining units shall consist of two (2)
17 bargaining unit employees and a Union staff representative and three (3) Employer
18 representatives to include the Assistant Vice President of Labor Relations or
19 designee.

20
21 The Employer will discuss with representatives of the Union significant changes
22 affecting institutional conditions of employment generally affecting bargaining unit
23 employees sufficiently in advance of the targeted implementation date of said
24 changes so that reasonable alternative proposals can be adequately considered
25 by the Joint Union-Management Committee. Diversity, pay disparities, common
26 trends around employee resignations, child care and tuition exemption shall be
27 considered appropriate subjects for the Joint Union-Management Committee.

28
29 SEIU 925 and Labor Relations will use the joint labor-management process to
30 explore possible in-training opportunities for SEIU 925 members.

31
32 ~~Market adjustments may be discussed at quarterly joint labor management~~
33 ~~meetings.~~

34
35 43.2 Meetings. Committee meetings may be requested by an authorized representative
36 of either party. Requests for a quarterly meeting shall be honored; however, once
37 convened, the committee may meet more or less frequently as mutually agreed
38 between the parties.

39
40 At least one (1) weeks’ notice shall be given to members of any agreed upon
41 meeting and the agenda. Committee meetings shall normally be held during
42 University business hours and at a mutually agreeable time and date. Employee
43 members shall experience no loss in salary for meeting participation; however,

44 meeting times are not construed as work time and no overtime shall be claimed or
45 paid for meetings attended outside the employee members' regular working hours.
46

47 43.3 Limitations. Committee meeting topics shall be limited to subjects of group rather
48 than individual concern, and the committee shall not discuss grievances properly
49 processed under Article 6 of the Agreement. Further, it is not intended that this
50 Article obligate in any way either party to negotiate on personnel matters covered
51 in this Agreement or to alter, limit, restrict, or reduce prerogatives of either party
52 otherwise provided in this Agreement.
53

54 43.4 Departmental Labor Management. In an effort to resolve workplace problems
55 collaboratively and at the lowest level, staff are strongly encouraged to bring
56 concerns about staffing and other working conditions to the attention of their
57 department(s). SEIU Local 925 can request that the Office of Labor Relations set
58 up a Joint Labor Management meeting for the particular department. The Union
59 can also place on the agenda of any Labor Management meeting issues of staffing
60 and/or other working conditions in particular departments/units.
61

62 43.5 Multi-Disciplinary Meetings. Upon mutual agreement, the parties may schedule a
63 Joint Labor Management meeting(s) to discuss issues that impact multiple
64 bargaining units. In that case, the Union may bring one representative from each
65 impacted bargaining unit and the Employer will bring appropriate management
66 staff to address the issue/subject.
67

68 43.6 Where numerous Joint Labor Management staffing meetings are being scheduled
69 to address hiring difficulties across departments for similar positions, the Employer
70 or Union may propose to combine JLMs. Where appropriate as determined by the
71 Employer, a representative from HR Compensation will attend.
72

73 Release time for the employees requesting to be at the meeting will be subject to
74 the operational needs of the department.

ARTICLE 44 – CLASSIFICATIONS AND RECLASSIFICATION

1
2
3 44.1 The Employer will allocate positions on a “best fit” basis to the most appropriate
4 classification at the University of Washington. Allocations shall be based on a
5 position’s duties, responsibilities, or qualifications.
6

7 44.2 Reallocations shall be based on a permanent and substantive change in the duties,
8 responsibilities, or qualifications of a position or application of the professional
9 exemption criteria set forth in RCW 41.06.070(2).
10

11 44.3

12 a. Should the University decide to create, eliminate or modify class specifications
13 which does not involve a major restructure to the overall classification system, it
14 will notify the Union in advance of implementing the action. Notification will include
15 the bargaining unit status of the classification and, for a newly created or modified
16 classification considered to be in the bargaining unit, a proposed salary.
17 Notification will occur at least forty-five (45) days in advance of any proposed
18 implementation date. At the Union’s request the University will meet and confer
19 with the Union over its proposed action.

20 b. An employee occupying a position reallocated to a class with a lower salary range
21 maximum due to a class being created, abolished or modified will be placed at a
22 step on the new range closest to but not less than their current rate of pay, up to
23 max auto step. If an employee’s current salary is above max auto step, the
24 employee’s salary will be y-rated (frozen) until the new range catches up. The
25 Progression Start Date (PSD) will remain unchanged. ~~retain the salary of their~~
26 ~~former position until reaching the top of the range of the former position, and then~~
27 ~~will be frozen until the new class pay range catches up.~~
28 An employee(s) occupying a position reallocated to a class with a higher salary
29 range due to a class being created, abolished or modified will receive the same
30 step in the new range as the employee(s) held in the previous range. The
31 Progression Start Date (PSD) shall be the first of the current month for effective
32 dates falling between the first and fifteenth of the month and the first of the following
33 month for effective dates falling between the sixteenth and the end of the
34 month. ~~The periodic increment date of the employee will remain unchanged.~~

35 c. Within thirty (30) calendar days following implementation of the University’s
36 decision to create or combine classifications per Article 44, or modify class
37 specifications for bargaining unit positions, the Union may file an appeal with the
38 Classification Review Hearing Officer selected under Article 44.6 of this contract,
39 to determine if the salary assigned to the classification is appropriate.
40

41 44.4 The Union may, at any time, propose a new classification or edits to an existing
42 classification with appropriate justification. These proposals will be reviewed by the
43 Compensation Office of Human Resources which will accept, reject, or modify any

44 proposal. The Union and the Compensation office will meet and discuss the
45 proposal within sixty (60) days. This review is not grievable.
46

47 44.5 The University agrees to notify the Union of any proposed reclassifications of
48 occupied bargaining unit positions into non-bargaining unit positions at least thirty
49 (30) days prior to implementation.
50

51 44.6 Professional Staff Exemptions:
52

- 53 1. The University will make reallocations based on application of the professional
54 staff exemption criteria set forth in RCW 41.06.070 (including any permanent
55 and substantive change in the duties, responsibilities, or qualifications of the
56 position).
- 57 2. The Union and the University agree to a procedure that includes the provision
58 of information by the University and a meeting with the Union to discuss and
59 resolve issues regarding the transfer of work from the bargaining unit within
60 four (4) weeks of the University's initial notice to the union for a proposed
61 professional staff exemption.
- 62 3. All negotiations regarding transfer of any work from the bargaining unit shall be
63 concluded by the meeting described above, unless both parties agree to an
64 extension.
- 65 4. Disputes regarding professional staff exemptions shall be resolved by the
66 classification review hearing officer. The Hearing Officer shall make their
67 decision based on the criteria outlined in Subsection 44.6 (1) above. If the
68 employee appeals the exemption determination in any other forum the Union
69 cannot pursue the determination through the process outlined in this Article.
70

71 44.7 Position Review Process:
72

- 73 a. The University, employee, or employee representative may request that a
74 position be reviewed when the requesting party believes that the basis of its
75 request has become a permanent requirement of the position. Employees and
76 employee representatives may not request that a position be reviewed more
77 often than once every six (6) months.
- 78 b. The request must be complete and in writing on forms provided by the
79 University. Requests may be submitted to Human Resources or to an
80 employee's direct supervisor or department. Any party may submit additional
81 information, including the names of individuals, which the party believes is
82 relevant to the position review.
- 83 c. An employee may request that a representative be present as an observer at
84 meetings with the University reviewer scheduled to discuss the request for
85 position review. At the employee's request a portion of such meetings shall be
86 conducted in a quiet and private location, away from the work station.
- 87 d. The University reviewer will investigate the position and issue a written
88 response to the employee or employee representative within sixty (60) calendar
89 days from receipt, by Human Resources, of the completed request. The

90 response will include notification of the class and salary assigned when the
91 position is reallocated, or notification of the reasons the position does not
92 warrant reallocation when the request is not approved. Reclass requests may
93 be submitted at either the departmental level or directly to Human Resources.
94 Reclass requests submitted at the departmental level must be forwarded to
95 Human Resources within thirty (30) calendar days.

96 e. The effective date of allocations or reallocations initiated by the University shall
97 be determined by the University. The effective date of a reallocation resulting
98 from an employee or employee representative request for position review will
99 be established as the 1st or the 16th of the month which precedes the date that
100 the completed request was filed with Human Resources or the employee's
101 direct supervisor or department, whichever date is earliest. The date of receipt
102 must be appropriately documented.

103 f. An employee may request reconsideration following receipt of the University's
104 determination. Requests for reconsideration will not hold the timeframe for filing
105 an appeal under this Article.

106
107 44.8 Position Review Appeal Process. If the Union wishes to appeal the decision of the
108 University, it may appeal to the Classification Review Hearing Officer within thirty
109 (30) calendar days following the date of the University's written response.

110
111 Hearing Officer. The Hearing Officer shall be jointly selected by the parties within
112 thirty (30) days of the execution of this contract and shall serve for a minimum of
113 one (1) year from the date of selection. At that time the parties may choose to re-
114 appoint the Hearing Officer or select a different Hearing Officer who will also serve
115 for a minimum of one (1) year from date of selection.

116
117 Hearings. The Hearing Officer shall hold hearings on a quarterly basis unless there
118 are no appeals to hear or the parties agree to pend any open appeals. All materials
119 considered in the position review shall be submitted to the Hearing Officer prior to
120 the hearing and neither party will submit evidence at the hearing that was not
121 submitted during the position review. The Hearing Officer shall endeavor to hold
122 multiple hearings each day, and shall issue a concise decision which shall be final
123 and binding. The Hearing Officer shall have no authority to alter the terms and
124 conditions of this contract. Employees may be represented at the hearing and will
125 be released from work with no loss of pay to attend the hearing. The Hearing
126 Officer's fees and expenses shall be shared equally by the parties.

- B. Effective July 1, 202~~5~~3, all Salary Ranges described in Section A above will be increased by ~~threetwoone percent (321%)~~ four percent (4%). This increase will be based upon the salary schedule in effect on June 30, 202~~5~~3.
- C. Effective July 1, 202~~6~~4, all Salary Ranges described in Section A above will be increased by ~~twoone percent (21%)~~ three percent (3%). This increase will be based upon the salary schedule in effect on June 30, 202~~6~~4.
- D. Employees who are ~~paid~~ Y-rated above the maximum for their range on the effective date of the increase described in B or C above will not receive the specified increase to their current pay unless the new range encompasses their current rate of pay. Employees who are Y-rated as of June 30, 202~~5~~3 will continue to receive that salary if it is higher than the top step of the salary range for their classification as specified in Appendix I.

45.2 Upon promotion or reclassification from a Local 925 position to another Local 925 position with a higher salary range, the affected employee shall be placed on the salary step of the new range which reflects a minimum of a three (3) step, except for positions on Health Care Professional/Technical pay tables, which shall receive a minimum increase of 6%. The new progression start date shall be the first of the current month for effective dates falling between the first and fifteenth of the month and the first of the following month for effective dates falling between the sixteenth and the end of the month.

45.3 An employee occupying a position that is reclassified to an existing class with a lower salary range shall be placed in the salary step in the new range which is closest to the current salary, provided such salary does not exceed the top automatic step of the new salary range. The progression start date (PSD) will remain unchanged.

45.4 Salary Schedules.

- a. The salary schedules shall be incorporated into this Agreement as Appendix V.
- b. Salary schedules will contain Career Enhancement/Growth steps as described in Section 45.6.
- c. Movement on General Schedules. ~~Employees hired on or before June 30, 2023 at the minimum available step of their pay range will receive a two (2) step increase to base salary following completion of six (6) months of continuous~~

45 ~~service and the date they receive that increase will be the employee's~~
 46 ~~progression start date. Thereafter, employees will receive a two (2) step~~
 47 ~~increase annually, based on their progression start date, until they reach the~~
 48 ~~top of the pay range. Employees will receive a two (2) step increase to base~~
 49 ~~salary following completion of twelve (12) months of continuous service and the~~
 50 ~~date they receive that increase will be the employee's progression start date.~~
 51 ~~Thereafter, e~~Employees will receive a two (2) step increase annually, based on
 52 their progression start date, until they reach the top automatic step of the pay
 53 range.

54 d. Movement on Health Care Schedules. ~~Employees who are hired on the Health~~
 55 ~~Care pay tables will receive increment increases at the rate of one (1) step each~~
 56 ~~twelve (12) months until they reach the top of the pay range. The date they~~
 57 ~~receive that increase will be the employee's progression start date until they~~
 58 ~~reach the top of the pay range. Employees hired on or before June 30, 2023~~
 59 ~~on the Health Care pay tables at the minimum available step in the pay range~~
 60 ~~will receive a one (1) step increase to base salary following completion of six~~
 61 ~~(6) months of continuous service and the date they receive that increase will~~
 62 ~~be the employee's progression start date. Thereafter, e~~Employees will receive
 63 a one (1) step increase annually, based on their progression start date periodic
 64 increment date, until they reach the top automatic step of the pay range.

65 e. When a progression start date coincides with a promotional date, the
 66 appointment to a new salary range, and/or a market adjustment, the
 67 progression start date will be applied first.

68 f. Employee Recruitment and Retention (R&R) Step Increases. The University,
 69 at its discretion, may approve additional progression step increases up to, but
 70 not over, top automatic step at any time. ~~Such additional progression~~ Employee
 71 R&R step increases will not change an employee's progression start date.

72 g. Job Profile Recruitment/Retention Increases. The Employer may increase the
 73 salary of classifications that are experiencing recruitment/retention problems,
 74 upon thirty (30) days' notice to the union and the opportunity for the union to
 75 bargain, as per 45.7 below. The Union shall be given the opportunity to raise
 76 concerns regarding recruitment and retention for classifications, and at the
 77 Union's request, the University will meet and confer with the Union to discuss
 78 any potential recruitment and retention increases.

79
 80 45.5 The University and the Union affirm their commitment to the principles of
 81 comparable worth by implementing any state-mandated comparable worth
 82 adjustments.
 83

84 45.6 Temporary Salary Increases. The Employer may provide an employee with a
 85 temporary salary increase (TSI) pursuant to Article 14.4(C) when assigning duties
 86 and responsibilities of a higher-level class.
 87

88
 89 45.76 Career Enhancement/Growth Program. The University will continue its Career
 90 Enhancement/Growth program. The program will reward employees whose

91 development of skills, increased productivity, or assumption of higher level duties
92 results in increased value to the department, service enhancements, or efficiencies
93 for the department in which the employee works.
94

95 CEGP steps on the respective pay tables (see Appendix V Pay Tables), will be
96 attained solely through the Career Enhancement/Growth program and will not be
97 based on length of service.
98

99 Employees in every classification covered by this Agreement will be eligible for the
100 program. Employees are eligible to receive a Career Enhancement/Growth step
101 any time after they have been at the last automatic step in their pay range for a
102 minimum of one (1) year. Employees are eligible for the subsequent Career
103 Enhancement/Growth step beginning one (1) year after receiving the previous
104 step.
105

106 There will be no minimum or maximum number of employees who may receive
107 Career Enhancement/Growth steps. There will be no minimum or maximum
108 amount of money the University will spend on the Career Enhancement//Growth
109 program. Decisions about Career Enhancement/ Growth steps shall be made
110 within sixty (60) days of the submission of a completed CEGP form to the
111 employee's manager.
112

113 Either employees or managers may initiate the CEGP application process. All
114 CEGP applications shall be forwarded to the Compensation Office, regardless of
115 approval or denial. If the application has been denied, the reason for the denial
116 must be documented.
117

118 The Compensation Office tracks CEGP applications, grants, and denials including
119 at a minimum the job class, department, employee id, the decision to grant or deny,
120 and the documented reason for any denial. If denied, the employee may appeal
121 to the decision-maker's supervisor.
122

123 The CEGP application allows for the inclusion of up to three letters of
124 recommendation, and record years of experience in the position or field, as well as
125 years of service with the University in the Statement of Qualifications section. The
126 union will have access to this information on request.
127

128 The Career Enhancement/Growth program will not be a substitute for
129 reclassifications. Reclassifications will take priority over receiving Career
130 Enhancement/Growth steps such that if an employee qualifies to receive a Career
131 Enhancement/Growth step but could otherwise be reclassified, the employee will
132 be reclassified and will not simultaneously receive the Career
133 Enhancement/Growth step. Career Enhancement/Growth steps shall be
134 considered in calculating salary adjustment associated with promotion and upward
135 reclassification, but in no instance shall a salary in a new position be at a step
136 higher than the top automatic step in the new pay range, except for lateral transfers

137 where there is no mutual agreement not to exceed the top automatic progression
 138 step in the new pay range.

139
 140 The University agrees to regularly issue University-wide reminders promoting the
 141 value of this program.

142
 143 The parties will utilize the JLM committee to review the CEGP program periodically
 144 with the goal to improve standards and accessibility.

145
 146 The Career Enhancement/Growth program in its entirety is not subject to the
 147 grievance procedure (Article 6).

148
 149 45.87 Market Rate Wage Adjustments. If market conditions determine that an upward
 150 adjustment in one or more economic areas is essential to maintain
 151 competitiveness, both the Union and the Employer shall be given the opportunity
 152 to raise issues of competitive compensation and propose market adjustments.
 153 When the Employer proposes adjustments, the Union shall be given at least thirty
 154 (30) days' notice in advance of the implementation date to negotiate the
 155 adjustment.

156
 157 45.98 Callback Pay ~~(Applicable only to the University-wide Nonsupervisory, Supervisory,~~
 158 ~~Contact Center, Contact Center Supervisory, and Health Care~~
 159 ~~Professional/Laboratory Technical, and HMC Technical bargaining units).~~ When a
 160 scheduled work period employee has left the grounds and is called to physically
 161 return to the work station outside of regularly scheduled hours, the employee shall
 162 receive ~~two-three~~ (23) hours bonus pay plus time actually worked. The bonus pay
 163 shall be compensated at the regular rate; time worked shall be compensated at
 164 time and one-half (1-1/2).

165
 166 ~~Callback can~~ will apply if an employee receives a direct call, text or email from their
 167 manager stating that they need to physically return to the work station. Callback
 168 can be applied to a day the employee is regularly scheduled to work or on a day the
 169 employee is scheduled to be off.

170
 171 ~~If the employee is called back to work on a day they are not scheduled to~~
 172 ~~work, callback applies regardless of the amount of notice received. If the employee~~
 173 ~~is called back to work immediately preceding their scheduled shift, they are only~~
 174 ~~provided callback pay if they are required to return to work more than 2 hours prior~~
 175 ~~to their scheduled shift or they were not provided with 8 hours' notice. Time worked~~
 176 ~~immediately preceding the regular shift does not constitute call back, provided time~~
 177 ~~worked does not exceed two (2) hours or notice of at least eight (8) hours has been~~
 178 ~~given.~~

179
 180 ~~An employee on standby status called to return to the work station does not qualify~~
 181 ~~for call-back pay.~~

182

Fully remote employees do not qualify for callback pay. Callback does not apply to extra shifts. If an employee answers an all-call/group text or email volunteering to work an extra shift, they are paid the appropriate rate of pay (not including callback) regardless of how many hours' notice they are provided.

45.109 Standby Pay (Applicable only to the University-wide Nonsupervisory, Supervisory, Contact Center, Contact Center Supervisory, HMC Technical, and Health Care Professional/Laboratory Technical bargaining units). Scheduled or nonscheduled work period employees required to restrict off-duty activities to be available for duty shall be compensated as follows:

The ~~two-three~~ (23) hours pay shall not apply until thirty (30) minutes after the end of a scheduled shift. For employees in job classifications listed in Appendix VI who receive contractual straight time, any premium pay when called in from standby will be paid at straight time.

45.110 Shift Differential (Applicable only to the University-wide Nonsupervisory, Supervisory, Contact Center, Contact Center Supervisory, Research Tech, HMC Technical, and Health Care Professional/Laboratory Technical bargaining units).

- Health Care Professional/Laboratory Technical and HMC Technical Bargaining Units: \$1.75 per hour for evening shift and \$2.50 per hour for night shift, ~~except for those job titles listed in Appendix II, which shall receive the applicable rates.~~

When an employee works an equal number of hours during day shift and evening shift, or evening shift and night shift, the employee shall be entitled to the greater shift differential for the entire shift. When an employee is regularly assigned to an afternoon or evening shift that qualifies for shift differential, the employee shall continue to receive the shift differential during temporary assignment, not to exceed five (5) working days, to a shift that does not qualify.

45.124 Multilingual/Sign Language/Braille Premium Pay. Whenever a classified position has a bona fide requirement for regular use of competent skills in more than one language, and/or sign language and/or Braille, as determined in writing by the employer, the employee shall receive a premium pay of five (5%) percent above the level normally assigned for that position, except for those instances where the position is allocated to a class that specifies these skills. If an employee receiving language pay transfers or is promoted into a position which also necessitates the use of the employee’s language skills, as determined in writing by the employer, the language pay benefit will be paid as a premium.

If the employee’s position is allocated to a class that specifies these skills (for example, a medical interpreter), the employee will receive a premium pay of five (5%) percent above the level normally assigned for that position only when the employee’s position description states that the position has a bona fide requirement for regular use of competent skills in two (2) or more languages in addition to English.

If this requirement is not included in the employee’s position description, refusal by the employee to interpret will not result in corrective action.

45.132 Respiratory Therapist Premium Pay. Respiratory Therapists who perform Extra Corporeal Life Support work (ECLS) will be paid a \$6.50 (six dollars and fifty cents) per hour ECLS premium while performing ECLS work.

 306 45.1856 Preceptor.

- 307 i. Surgical Technologist (18430)
- 308

- 309 ii. Respiratory Care Practitioner (18155)
- 310 iii. Dietitian (18126)
- 311 iv. Electroneurodiagnostic (END) Technologist (18370, 18371, 18373)
- 312 v. Social Worker (18124, 18125, 23260)
- 313 vi. Anesthesiology Technician 2 (18312)
- 314

315 An employee in one of the classifications (i) through (vi) above may serve as a
316 preceptor for one or more newly hired employees (including an employee who
317 transfers within UW) or students after: a.) successfully completing an approved
318 preceptor workshop (or equivalent documented training); b.) being appointed by a
319 department designated manager in writing as a preceptor; and c.) agreeing to such
320 appointment in writing. The preceptor will be responsible for planning, organizing,
321 and assessing the new skill development of the newly hired employee or student.
322 The preceptor role responsibilities can include teaching, clinical supervision, role
323 modeling, feedback, and/or evaluation (oral or written) of the newly hired employee
324 or student. The new skill(s) development needed for each newly hired employee
325 or student will be set forth in writing in the appointment request. Upon receipt of
326 the written appointment request, the preceptor may recommend to the department
327 designated manager that the assignment add additional new skills for
328 development. Employees will receive a preceptor premium pay of \$1.50 per hour
329 for all time spent engaged in the above preceptor role responsibilities with the
330 newly hired employee or student. Orienting a newly hired employee alone does
331 not qualify an employee for the preceptor premium; however, if part of orienting a
332 newly hired employee includes precepting the development of a new skill, then
333 that part is eligible for the preceptor pay premium.

334
335 The University will establish and, at regular intervals, offer preceptor workshops or
336 equivalent documented trainings for employees in each of the above-referenced
337 classifications, which pertain to precepting of newly-hired employees and students.
338 If separate workshops or equivalent documented trainings are required with
339 respect to newly-hired employees and students, the University will establish and
340 offer at regular intervals workshops or training for precepting each.

341
342 “New skill development” includes, but is not necessarily limited to, performing the
343 above listed preceptor role responsibilities on tasks, procedures, equipment, or
344 methods which are necessary to achieve competency in an employee’s
345 classification or specific position if the newly hired employee does not have prior
346 experience with the given skill. Orienting a newly hired employee to “UW”
347 procedures or methods is not considered “new skill development” unless the newly
348 hired employee does not, in the estimation of a department designated manager,
349 have sufficient experience in performing the underlying task. The parties agree that
350 “new skill development” varies for each of the above-referenced classifications and
351 may vary for each newly hired employee or student, depending on their skills,
352 knowledge, and experience. If a newly hired employee, in the estimation of a
353 department designated manager, has insufficient experience in a particular skill
354 area that is necessary to perform the functions of the position, a current employee

355 will be appointed to perform the above preceptor role responsibilities. Additionally,
356 if an employee in one of the above-referenced classifications believes that a newly
357 hired employee needs "new skill development," that employee may identify the
358 new skill and request appointment as a preceptor to perform the above preceptor
359 role responsibilities.

360
361 45.1967 Rest Between Shifts. (Applicable to the Health Care
362 Professional/Laboratory Technical bargaining unit)
363

364 In scheduling work assignments, the Employer will make a good faith effort to
365 provide each employee with at least eleven (11) hours off duty between shifts. In
366 the event an employee is required to work with less than eleven (11) hours off duty
367 between shifts, all time worked within this eleven (11) hour period shall be at time
368 and one-half (1 1/2).

Appendix III – Overtime Exempt Job Classifications

The federal Fair Labor Standards Act and the Washington State Minimum Wage Act govern which positions are FLSA exempt or non-exempt. Appendix III details job classifications that are FLSA exempt; however, certain positions in these classifications may be determined to be FLSA non-exempt if the employee’s combination of FTE and salary falls below the federal or state salary threshold.

MOU – DONNING AND DOFFING IN THE OPERATING ROOM MONTLAKE HOSPITAL AND CLINIC SETTINGS

Purpose: Employees performing work in the OR and other areas where surgical attire is required at UWMC Montlake are required to change into and out of Hospital required, Hospital Provided and Hospital laundered Scrub Uniforms as a job expectation. These employees should, therefore, be paid for the time spent changing into and out of required scrub uniform.

Time for the changing into and out of the scrub uniforms shall be provided to employees in the OR and other areas where surgical attire is required at UWMC Montlake by the employer in the amount of 7 minutes on either side of the scheduled shift. This time shall be incorporated into any scheduled or unscheduled shift whether 8, 10 or 12 hours (including a 30-minute unpaid lunch would make these shifts become 8.5, 10.5 and 12.5 hour shifts).

This will be achieved by employee logging in at shift start time and being given 7 minutes to change out of street clothing and into the hospital mandated scrub uniform. Nearing the end of the shift, when possible, the employee shall be released from all duties no less than 7 minutes prior to end of scheduled shift to change out of employer provided scrub uniform and into the clothing they wore into work. In the event an employee is not released at least 7 minutes prior to the end of their scheduled shift and allowed to change and clock out, the employee will enter this event on the exception log and be given 7 minutes of paid time on top of the hours worked. Based on the Kronos rounding rules, this may or may not generate additional overtime.

MOU – INTERPRETERIVE SERVICES AT UWMC AND HMC

1
 2
 3 1. UW MedicineMC recognizes the important role that in-house interpreters play in
 4 UWMC and HMC Interpretive Services and acknowledges the crucial role in-house
 5 interpreters play in many cases with especially high acuity. The appropriate
 6 modality of interpretation (in-person, telephonic, video) will be based on patient
 7 acuity and need. When in-person interpretation is determined to be the appropriate
 8 modality, UWMC and HMC in house interpreters will be the first option for service
 9 delivery. In-person interpretation for UWMC shall be assigned, in accordance with
 10 APOP 60-1, and for HMC in accordance with APOP 60-3.:

11
 12 ~~2. “An in-person interpreter is likely to be the most effective choice in clinical~~
 13 ~~exception cases, meaning those interactions in which telephonic interpretation~~
 14 ~~would not be effective due to either the physical set up of the care area or the~~
 15 ~~condition of the patient. The main examples of exception cases include when there~~
 16 ~~is an invasive procedure involved, when this is a first encounter for the patient at~~
 17 ~~UWMC, when the patient is deaf or significantly hard-of-hearing, or when the~~
 18 ~~encounter involves active labor, trauma, sedation, confusion, mental anguish,~~
 19 ~~mental health, or a complicated care conference.~~

20 ~~3.—~~

21 ~~4. Clinical exception cases due to the physical environment include the OR, Labor~~
 22 ~~and Delivery suites, and procedure rooms, where the ambient noise of numerous~~
 23 ~~staff and equipment makes it difficult to hear over a hands-free telephone, and~~
 24 ~~where numerous staff must speak to the patient over a prolonged period of time.”~~

25
 26 ~~5.2.~~ The phone number for the UWMC Interpreter Services Department is 206-
 27 598-4425. The phone number for the Harborview Interpreter Services Department
 28 is 206-744-9250. These is numbers will be made available throughout UWMC and
 29 HMC. Department staff will be available to assist with consultation on patient needs
 30 and will schedule all in-person house interpreters.

31
 32 ~~6.3.~~ Allocation of work shall be reviewed and discussed on an on-going basis in
 33 Joint Labor Management.

34
 35 ~~7.4.~~ UWMC Interpreterive Services will continue to work with the UW Medicine
 36 Telecommunications office regarding improvements to the phone system. The
 37 parties will conduct meetings- at least bi-monthly- to provide updates and

Management will review language volumes/FTE on an ongoing basis to determine changes to demand in each language.

~~9-6.~~ Overtime shall be offered to all qualified interpreters and rotated in each language group to ensure equitable distribution of overtime assignments.

During re-opener negotiations for the 2023-2025 collective bargaining agreement, the parties agreed to the following regarding Stand-by Guidelines:

1. Stand-by time shall not be used to avoid filling vacant positions. The Employer will schedule procedures in the best interests of the patient and will make a good faith effort to schedule such patient procedures so that call back is not required.
2. Mandatory (after the schedule is posted) prescheduled stand-by time may not be used in lieu of scheduling employees to work regularly scheduled shifts when a staffing plan indicates the need for a scheduled shift.
3. Mandatory (after the schedule is posted) prescheduled stand-by time may not be used to address regular changes in patient census or acuity or the expected number of employees not reporting for predetermined scheduled shifts.
4. Mandatory stand-by will not be implemented in schedules for units where standby scheduling has not been practice as of September 1, 2021 without proper notice and impact bargaining with the union.
5. Unit based Staffing Committees:
 - a. Upon request from the Union, units will form unit based staffing committees.
 - b. Callback Tracking. Within 90 days of ratification, the Employer will develop a reporting tool to track and review patterns in call utilization and stand-by hours.
6. Callback Relief. Subject to patient care considerations, the Employer will make a good faith effort to provide relief for an employee who requests the immediate next scheduled shift off or offer a change in the employee’s start time or end time for the immediate next scheduled shift when the employee has been working on call within eight (8) hours of the start of their next scheduled shift. At the employee’s request, a vacation day or authorized leave without pay can be used.

**MOU – UW MEDICINE PRE-SCHEDULED VOLUNTARY DOUBLE-TIME SHIFT
INCENTIVE FOR CRITICAL STAFFING NEEDS**

1
2
3
4 During negotiations for the 2023~~5~~-2025~~7~~ successor agreement, the parties reached
5 agreement on the following regarding Pre-Scheduled Voluntary Double-Time at
6 Harborview, UWMC-Montlake, and UWMC-Northwest.

7
8 After the initial scheduled bid is incorporated and posted, and the employer has sent out
9 notice for staff, including Nonpermanent and Intermittent Employees, the Employer may
10 offer pre-scheduled voluntary double-time shifts for any classification. The determination
11 of critical staffing needs and the double-time shift incentive is at the sole discretion of the
12 Unit Manager.

13
14 The shifts shall be compensated at the rate of two times (2X) the regular rate of pay for
15 all hours worked. Pre-scheduled double-time shifts will be considered Extra Shifts and
16 will not be guaranteed, but once scheduled are expected to be worked unless it is
17 determined that they are not needed. Staff members calling in sick on voluntary double-
18 time shifts will not receive sick pay.

19
20 Permanent FTE Employees will be eligible to volunteer for pre-scheduled double-time
21 shifts when they are scheduled to meet their permanent FTE within the pay period. Their
22 FTE is fulfilled by actual hours worked, approved and pre-scheduled vacation, mandatory
23 or pre-scheduled continuing education, and accrued paid sick leave.

24
25 Nonpermanent and Intermittent Employees will not be eligible to volunteer for pre-
26 scheduled double-time shifts until they have scheduled up to forty (40) hours in the week
27 of the pre-scheduled double-time shift regardless of their FTE. Nonpermanent and
28 Intermittent Employees must also work all scheduled hours in the week of the pre-
29 scheduled double time shift in order to be compensated at double time for the shift(s). If
30 they do not, they will be compensated at the appropriate rate of pay in accordance with
31 Article 59.

32
33 All staff, once scheduled, are expected to honor the commitment, with the exception of
34 illness or serious emergency. Notification of absence is required at least two (2) hours
35 before the beginning of all shifts.

36
37 Failure by the Employer to notify or attempt to notify staff of cancellation at least two (2)
38 hours in advance of the shift will result in the employee being assigned to a unit for two

**MOU – VOLUNTARY FLOAT BETWEEN UWMC-NW AND MONTLAKE CAMPUSES
FOR BARGAINING UNITS REPRESENTED BY SEIU 1199, SEIU 925, AND WFSE**

During negotiations for the 2023-2025 collective bargaining agreement, the parties agreed to the following:

When there is a low patient volume in a specific unit or department, and there is another unit or department in need, management may float staff between UWMC-NW and UWMC-Montlake if the employee agrees to float.

Employees who agreed to float between UWMC-NW and UWMC-Montlake will receive adequate orientation. Appropriate resources will be available as follows:

- a. Introduction to the appropriate unit leader for the shift;
- b. Review of emergency procedures for that unit;
- c. Tour of the physical environment and location of supplies and equipment;
- d. Review of the patient assignment and unit routine.

Employees shall not be required to perform new procedures without proper supervision. Employees shall seek supervisory guidance for those tasks or procedures for which they have not been trained. Employees who encounter difficulties related to floating should report these to the appropriate unit leader. There will be no adverse consequences for an employee filing a concern. The home department/unit leader (or designed) will seek volunteers among the employees to float. Employees who volunteer to float will receive an assignment taking into account the employee's training and experience.

Employees will not float more than once per shift.

If an employee agrees to float to an entity other than the employee's home entity, the employee will receive a four dollar (\$4.00) per hour premium for all hours worked outside the employee's home entity. This premium will apply to employees already receiving a premium for being in the float team but cannot otherwise be stacked with any other float premiums.

Employees will be reimbursed for travel, mileage, and parking at the second site per university policy, and will be provided with the appropriate forms and instructions that will allow them to submit the forms for reimbursement.

39 The employee's "Home Entity" Collective Bargaining Agreement applies while floating to
40 other facilities.

41
42 Employees will receive appropriate and timely training on the equipment, practices and
43 work area orientation at the non-home location to which they are floated.

9 The University of Washington acknowledges the following regarding Generative AI:

- 10 a. Generative AI presents significant opportunity and should be considered for
11 use to accelerate our strategic, financial and operational goals.
- 12 b. Research involving generative AI has significant potential to advance this
13 emerging technology (particularly for application in the healthcare setting),
14 which can result in accelerated translation of tools to improve the delivery of
15 healthcare for the benefit of our patients.
- 16 a-c. Any use of generative AI tools must be responsible, compliant (with
17 relevant laws, regulations, and policy), ethical, and balance potential benefit
18 with potential risks.

19 ~~Upon request, the Union is entitled to representation in any University committee~~
20 ~~convened to address topics relevant to the development and implementation of~~
21 ~~AI systems. Employee representative(s) shall be granted release time to attend~~
22 ~~committee meetings which are conducted during regular business hours.~~

23 Developing an institutional strategy for artificial intelligence is imperative for the
24 University. In February 2024, the President and Provost appointed a Task Force on
25 Artificial Intelligence to recommend a comprehensive vision and strategy. The Task
26 Force will launch a campus engagement plan in Fall 2024. To ensure employees
27 voices are incorporated into the development and implementation of the institutional
28 strategy, the University will:

- 29 a. Share the results of the Fall 2024 Task Force on AI survey with the Union and,
30 at the request of the Union, arrange a meeting between the Union and the
31 chair or co-chair of the Task Force on AI to discuss the survey results.

32 b. Grant release time to employees to attend the AI Task Force online town halls
33 hosted by the AI Task Force.

34 c. Co-develop, with the Union, an additional town hall or member meeting as a
35 component of the Task Force on AI engagement strategy.

36 d. At the conclusion of the engagement period and prior to the end of the FY24-

MOU – MEAL AND REST BREAKS ~~FOR HEALTH CARE FACILITY EMPLOYEES~~

Effective November 1, 2024, Article 9 Hours of Work will be amended to reflect the following:

ARTICLE 9 – HOURS OF WORK

9.3 Meal and Rest Breaks.

- a. The provisions of section 9.3 are agreed upon pursuant to RCW 49.12.187. To the extent these provisions differ from any statutes and regulations relating to rest and meal breaks, and the right to wages and overtime for missed rest and meal breaks (including but not limited to RCW 49.12.480, 49.46.020, 49.46.090 and 49.52.050, and WAC 296-126-092), the provisions of section 9.3 vary and supersede such statutes and regulations. These policies will follow the minimum standards for working conditions of RCW 49.12 and WAC 296-126-092, unless such rights are waived by the employees., and waive the rights of all employees represented by SEIU 925 to rest and meal breaks, and related wages and overtime compensation based on such statutes and regulations that are inconsistent with these provisions.
- b. Employee health and safety will be considered when scheduling rest and meal periods. Employees may not alter their scheduled rest or meal periods without prior supervisor approval. Employees who are unable to take scheduled rest or meal periods must report to their supervisor as soon as possible, but no later than the end of the shift in which they missed their rest or meal period. Additionally, the Employee must document the missed rest or meal break during the actual shift the rest or meal period was missed. A missed rest break or meal period that is not documented will be considered as taken for the purposes of this section.
- c. Rest Periods. Employees will be provided with paid 15-minute rest periods for every four (4) hours worked. Employees must take scheduled rest periods, and it is the employer’s intention responsibility to provide uninterrupted rest periods. In the event the employee is unable to complete the 15-minute paid rest period because they are required to remain on duty, are required to remain on-call on the premises, or if they’re called back to work thus interrupting the rest period, the employee shall be entitled to complete their

38 uninterrupted rest period as soon as possible. If a full rest period is unable to
39 be completed, they will be appropriately compensated for the entire rest
40 period. ~~appropriate compensation to be computed based on the actual~~
41 ~~number of minutes worked within the 15-minute paid rest period.~~ Where the
42 employer determines the nature of the work allows employees to take
43 intermittent rest periods equivalent to 30 minutes within an 8-hour period, or
44 45 minutes within a 12-hour period, a scheduled rest period is not required.
45 Rest periods may not be used for late arrival or early departure from work.

- 46
- 47 d. Unpaid Meal Period. Employees will be provided with one unpaid meal period
48 of at least 30 minutes during any shift that exceeds five hours in length. When
49 an employee's unpaid meal period is interrupted by work duties, the
50 employee will be allowed to resume their unpaid meal period following the
51 interruption, if possible, and to complete the 30-minute unpaid meal period. In
52 the event the employee is unable to complete the 30-minute unpaid meal
53 period because they are required to remain on duty, are required to remain
54 on-call on the premises, or if they're called back to work thus interrupting the
55 meal period, the employee will be appropriately compensated for the entire
56 30-minute unpaid meal period. ~~shall be entitled to appropriate compensation~~
57 ~~to be computed based on the actual number of minutes worked within the 30-~~
58 ~~minute unpaid meal period.~~
- 59
- 60 e. An employee whose shift exceeds twelve (12) hours (excluding unpaid meal
61 breaks) or is extended at least three (3) hours beyond their scheduled shift
62 will be entitled to a second 30-minute unpaid meal period. If the Employee
63 chooses to waive the second meal period requirement, they are responsible
64 for initiating and submitting an agreement to waive the meal period waiver. It
65 must be documented that the agreement to waive the meal period waiver was
66 completed prior to waiving the meal period. Absent such documentation, of a
67 waiver, it is deemed that the Employee took their meal period.
- 68
- 69 f. Paid Meal Period. Employees who are required to work or remain on duty
70 during a meal period must be paid for the entire meal period, regardless of
71 the number of interruptions. Employees must be paid for meal periods if:
72 1. They are required to remain on duty.
73 2. The employer requires them to remain on-call on the premises or work
74 site in the interest of the employer, even if they are not called back to
75 duty.
76 3. They are called back to work, interrupting the meal period.
- 77
- 78 g. Combining Rest and Meal Periods. For any work period for which an
79 employee is entitled to one or more meal periods and more than one rest
80 period, the employee and the employer may agree that meal and rest periods
81 can be combined. ~~one meal period may be combined with one rest period,~~ as
82 mutually agreed. ~~determined by management.~~ This agreement may be
83 revoked at any time by the employee. If the employee is required to remain

on duty during the combined meal and rest period, the time shall be paid. If the employee is released from duty for an uninterrupted combined meal and rest period, the time corresponding to the meal period shall be unpaid, but the time corresponding to the rest period shall be paid.

- h. Hospital employees subject to RCW 49.12.480 may also choose to waive the timing of their rest and meal periods if combining. If the Employee chooses to combine rest and meal periods, they are responsible for initiating and submitting an agreement to waive the timing of their meal and rest periods waiver. This agreement may be revoked at any time by the employee. It must be documented that the agreement to waive the timing of their meal and rest periods waiver was completed prior to combining the rest and meal periods. Absent such documentation of a waiver, it is deemed that the Employee took their meal period as required unless otherwise documented in the University's timekeeping system-KRONOS. When combining rest and meal periods, the break period (and any potential pay implications) is deemed in order of when the rest or meal period would have occurred. Example, if a meal is combined with a later rest period, the meal period is first, and then the rest period.
- i. Health care workers have specific meal and rest period requirements. UW Medicine has a Meal & Rest Breaks Policy for Covered Health Care Workers who Provide Direct Patient Care which is located at the following link: [Add link]
- j. ~~Section 9.3 will become effective November 1, 2024.~~

MOU – SENATE BILL 5793

1
2
3 Effective January 1, 2025, Article 18 Sick Time Off and Article 25 Absence Due to Child
4 Care Emergencies will be amended to reflect the following based on Senate Bill 5793:.
5 This MOU will expire June 30, 2025.

ARTICLE 18 – SICK TIME OFF

6
7
8 18.1 Sick Time Off.
9

10 a. Accrual. Full-time employees shall accrue eight (8) hours of sick time off for
11 each month of completed regular monthly service. Paid sick
12 time off may not be used in advance of accrual and accrual must not exceed 8
13 hours in a month. Employees working less than a full time schedule shall
14 accrue sick time off on the same prorated basis that their employment schedule
15 bears to a full time schedule. Employees on unpaid time off exceeding 80 hours
16 in a month (prorated for part-time) will earn a monthly accrual proportionate to
17 the number of hours in a pay status in the month to that required for full-time
18 employment.

19 b. Sick Time Off – Use. Sick time off shall be allowed under the following
20 conditions.

21 1. Because of and during illness, disability or injury which has incapacitated
22 the employee from performing required duties.

23 2. By reason of exposure of the employee to a contagious disease during
24 such period as attendance on duty would jeopardize the health of fellow
25 employees or the public.

26 2.3. When an employee's child's school or place of care has been closed
27 for a health-related reason or after the declaration of an emergency by
28 a local or state government or agency, or by the federal government.

29 3.4. Because of a health condition of a family member that requires
30 treatment or supervision, or that requires the presence of the employee
31 to make arrangements for extended care.
32 Family members includes biological, adoptive, de facto, or foster parent,
33 stepparent, or legal guardian of an employee or the employee's spouse
34 or domestic partner, or a person who stood in loco parentis when the
35 employee was a minor child; sibling, spouse, state registered domestic
36 partner, grandparent, grandchild, or child, regardless of age or
37 dependency status, including a biological, adopted or foster child,

stepchild, child's spouse, or a child to whom the employee stands in loco parentis, is a legal guardian, or is a de facto parent. Family members include those persons in a "step" relationship. Family member includes any individual who regularly resides in the employee's home or where the relationship creates an expectation that the employee care for the person, and that individual depends on the employee for care. "Family member" includes any individual who regularly resides in the employee's home, except that it does not include an individual who simply resides in the same home with no expectation that the employee care for the individual.

~~4.5.~~ 4.5. To provide emergency child-care (as in Article 25) or because of condolence or bereavement (as in Article 26)

~~5.6.~~ 5.6. For personal medical, dental, or optical appointments or for family members' appointments when the presence of the employee is required, if arranged in advance with the Employer.

~~6.7.~~ 6.7. When an employee is required to be absent from work to care for members of the employee's household or family members because of emergencies not covered above.

~~7.8.~~ 7.8. When requested as a supplemental benefit while receiving a partial wage replacement for paid family and/or medical leave under Title 50A RCW. This time off may be subject to verification that the employee has been approved to receive benefits for paid family and/or medical leave under Title 50A RCW.

~~8.9.~~ 8.9. If the employee or the employee's family member is a victim of domestic violence, sexual assault, or stalking as defined in RCW 49.76.020. The Employer may require that the request for leave ~~for this purpose be~~ supported by verification per Administrative Policy Statement 46.8.

~~9.10.~~ 9.10. For an employee to be with a spouse or registered domestic partner who is a members of the armed forces of the United States, National Guard, or reserves after the military spouse or registered domestic partner has been notified of an impending all or order to active duty, before deployment, or when the military spouse or registered domestic partner is on leave from deployment.

~~10.11.~~ 10.11. When an employee requests to use sick time off for the purposes of parental leave to bond with a newborn, adoptive, or foster child for a period of up to eighteen (18) weeks. Sick time off for this purpose must be taken during the first year following the child's birth or placement.

c. Use of Vacation Time Off or Compensatory Time Off for Sick Leave Purposes. An employee who has used all accrued sick time off may be allowed to use accrued vacation time off and/or compensatory time off for sick time off purposes when approved in advance or authorized by the employee's departmental supervisor. All available compensatory time must be used prior to accrued vacation leave, unless this will result in the loss of vacation time.

d. Restoration of Vacation Time Off. In the event of an incapacitating illness or injury during vacation time off, the employee's supervisor may authorize the

84 use of sick time off and the equivalent restoration of any vacation leave
 85 otherwise charged. Such requests shall be in writing, and a medical certificate
 86 may be requested.

87 e. No Abuse of Sick Time Off. Both parties agree that neither the abuse nor the
 88 arbitrary denial of sick leave will be condoned. The Employer and the Union
 89 agree to work cooperatively toward the resolution of mutually identified
 90 problems regarding the use of sick time off.

91 f. Sick Time Off Verification. The Employer will not require verification for
 92 absences of three (3) consecutive work days or fewer. Such verification or
 93 proof may be given to the supervisor/manager or Human Resources according
 94 to departmental policy. The Employer will not make unreasonable requests for
 95 sick time off verification.
 96

97 18.2 Attendance Incentive Program (Sick Time Off Cash Out). Eligible employees may
 98 elect to receive monetary compensation for accrued sick time off as follows:
 99

100 In January of each year an employee whose sick time off balance at the end of the
 101 previous year exceeds four hundred eighty (480) hours may elect to convert the
 102 sick time off hours earned in the previous calendar year, minus those hours used
 103 during the year, to monetary compensation. No sick time off hours may be
 104 converted which would reduce the calendar year end balance below four hundred
 105 eighty (480) hours. Monetary compensation shall be paid at the rate of twenty-five
 106 percent and shall be based on the employee's current salary. All converted hours
 107 will be deducted from the sick time off balance.
 108

109 Employees who separate from University service due to retirement or death shall
 110 be compensated for the unused sick time off accumulation from the date of most
 111 recent hire in a time off accruing eligible position with the State of Washington at
 112 the rate of 25%. Compensation shall be based upon the employee's wage at the
 113 time of separation. For the purpose of this section, retirement shall not include
 114 vested out of service employees who leave funds on deposit with the retirement
 115 system.
 116

117 In accordance with state law, former eligible employees who are re-employed
 118 within 5 years of separation shall be granted all unused sick time off credits, if any,
 119 to which they are entitled at time of separation.
 120

121 18.3 Family Care Leave. In accordance with RCW 49.12 and WAC 296-130, employees
 122 shall be allowed to use any or all of their choice of sick leave or other paid time off
 123 to care for a family member ~~(as defined above)~~ who has a serious health condition
 124 or an emergency condition. Employees shall not be disciplined or otherwise
 125 discriminated against because of their exercise of these rights.

- A. There are two types of family care emergencies:
 - a. A child care emergency is defined as a situation causing an employee’s inability to report for or continue scheduled work because of emergency child care requirements such as unexpected absence of regular care provider, unexpected closure of the child’s school, or unexpected need to pick up child at school earlier than normal.
 - b. An elder care emergency is defined as a situation causing an employee’s inability to report for or continue scheduled work because of emergency elder care requirements.
- B. An employee who is unable to report for or remain at work due to a family care emergency may use vacation time off, sick time off, compensatory time, holiday credit, or unpaid time off up to a maximum of three (3) days of each type of time off leave per calendar year, and their personal holiday. Use of any of the above time off types is dependent upon the employee’s eligibility to use such time off leave. The employee upon returning from such an absence shall designate to which time off type the absence will be charged.
- C. In accordance with RCW 49.46.210, sick time off may be used when an employee’s child’s school or place of care has been closed by order of a public official for any health-related reason or after the declaration of an emergency by a local or state government or agency, or by the federal government. Health-related reason means a serious public health concern that could result in bodily injury or exposure to an infectious agent, biological toxin, or hazardous material.

SIDE LETTER A – CITY OF SEATTLE MINIMUM WAGE

July 1, 202~~5~~³

Contract classified pay tables will be updated to reflect the current Seattle minimum wage after an across-the-board increase or a minimum wage adjustment made by the City of Seattle. If an across-the-board increase brings steps back above the current Seattle minimum wage, those steps will be reactivated and available for use. Whenever steps are reactivated, no employees will be moved to lower steps.

The Union Management committee will continuously monitor performance metrics and any corrective action based on failure to meet performance standards. If less than 75% of employees meet any individual performance standard over a rolling three-month period, management and the union will discuss ways to improve the standard, performance, or both at the subsequent committee meeting. Standards not met by at least 75% of employees for a given three-month period will not automatically trigger corrective actions for employees who fail to meet those standards for that period, but they may still lead to corrective action if it meets the requirements of just cause after an examination of the circumstances.

Dress Code

While working a full day in the Contact Center, employees will be allowed to wear denim blue jeans in good condition. In the event there is a scheduled tour or while employees are out in the clinics, employees are expected to abide by the UW Medicine Professional Dress Code policy.
